

Anzac Highway, Kurralta Park Resurfacing Works

Night Works Notice

We will be undertaking road resurfacing works on multiple locations along Anzac Highway to remediate sections of the road and improve the road surface.

What's happening:

Works will be on the inbound lanes of Anzac Highway. These works will improve the safety and amenity of the road for all users.

How this affects you:

To do this work safely, speed and lane restrictions will be in place during work hours. Please follow onsite traffic signage and follow the direction of traffic controllers while works are in progress. Pedestrians and cyclists might also need to use a different path during the works; however, signs will show you where to go.

During the works, there will be some noisy disruptions from time to time, but we'll do our best to keep the noise to a minimum. You might also notice some odours, which is normal during asphalt work. Bus stops in the area may be affected for a short time. Please pay attention to the signs at the bus stops and check the latest updates at adelaidemetro.com.au for more information.

On **Monday 24 June**, during working hours inbound vehicles on Anzac Highway will be shifted onto the outbound carriageway, with speed restrictions in place. During this shift, there will be **no access to Anzac Highway** from Owen Street, Long Street, Henry Street, James Street, Gray Street, Grassmere Street or Warwick Avenue, local detours will be in place. Outbound traffic will be maintained at all times.

On **Tuesday 25 June**, during working hours there will be **no access to Anzac Highway** from James Street or Gray Street, local detours will be in place. Outbound traffic will be maintained at all times.

On **Wednesday 26 June**, during working hours there will be **no access to Anzac Highway** from Warwick Avenue or Selby Street, local detours will be in place. Outbound traffic will be maintained at all times.

When

From Monday 24 June 2024 to late July 2024, weather permitting

Hours of operation

Sunday to Friday between the hours of 8pm and 5am

Where

Anzac Highway (city inbound) between Marion Road, Plympton and South Road, Kurralta Park

Government
of South Australia

Department for Infrastructure
and Transport

Outside of working hours, speed restrictions will need to remain in place, until line marking is completed in late July 2024. For any traffic management queries during the night work hours please contact the Department's contractor, AAA Asphalt on **0499 079 301**.

All dates are subject to weather conditions. If works are unable to be carried out on the above dates, works will be scheduled for the next evening.
