

Brighton Road and Edwards Street Junction Upgrade

Night works and temporary road closures

The Australian and South Australian governments are upgrading the Brighton Road and Edwards Street junction at South Brighton.

What's happening:

Night works are continuing at the intersection of Brighton Road and Edwards Street, with intermittent day works as required until project completion (expected third quarter of 2024).

Over the coming weeks we will need temporary closures of Edwards Street, at the junction of Brighton Road, at night. Other intermittent side street closures will also be required to safely undertake asphaltting works.

Following these works, line marking, and traffic signal commissioning works will be undertaken prior to project completion.

How this affects you:

During night works a temporary detour will be in place, please refer to the Edwards Street detour map overleaf for details.

Additionally, intermittent side street closures off Brighton Road, between Strathmore Terrace and Oleander Street East, will also be required at night with local signage in place to direct road users.

Brighton Road will remain open to traffic at all times with speed and lane restrictions in place while works are being undertaken. Outside of working hours speed restrictions will remain in place.

Please observe speed limits, detour signage, lane restrictions and traffic controllers when travelling through the area, plan ahead and expect some delays.

Some noise disturbance can be expected at times while these works are undertaken, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Access to properties and local businesses will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

When

Detour:

Sunday 30 June to Friday 19 July 2024, weather permitting.

No works or detours will occur on Saturday nights.

Hours of operation

7pm to 6am

Where

- Brighton Road, between Strathmore Terrace and Oleander Street East
- Edwards Street, between Brighton Road and Trevelion Avenue

Australian Government

Government of South Australia

Department for Infrastructure and Transport
