

Adelaide Hills Productivity and Road Safety Package

Works Notice – Lobethal Road

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region

What's happening

We are undertaking service relocations works on Lobethal Road, between Lenswood and Ashton. These works are ongoing and anticipated to be complete late March 2026.

Works have been scheduled to avoid impacts to the Tour Down Under.

How this affects you

To keep everyone safe there will be changes to traffic conditions while these works are carried out.

Speed and lane restrictions will be in place in work locations. Outside of work hours all traffic restrictions will be removed. Please plan your trips, drive with care through work areas and follow the direction of on site traffic controllers.

Access to properties will be maintained at all times. Should temporary property access restrictions be required, impacted residents will be contacted directly in advance.

Thank you for your patience and understanding while we complete this important work.

When

Ongoing until late March 2026, weather permitting

Hours of work

Monday to Friday
9am to 4pm

Where

Lobethal Road, between
Lenswood and Ashton
