Adelaide Hills Productivity and Road Safety Package

Lobethal Road night works and temporary road closure

We are delivering upgrades to key strategic arterial roads in the region

The $150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

What's happening

We are commencing asphalting works along Lobethal Road, between Deviation Road, Forest Range and Swamp Road, Lenswood. To minimise disruption to road users works will be undertaken at night.

To keep everyone safe, Lobethal Road will be temporarily closed between Deviation Road, Forest Range and Swamp Road, Lenswood during night work hours.

How this affects you

Speed and lane restrictions will be in place throughout the work area during work hours.

Between the hours of 7.30pm and 6am Lobethal Road will be closed between via Deviation Road and Swamp Road with detours in place. See map overleaf for details.

Outside of work hours, detour will be lifted with speed restrictions remaining in place as required.

Please plan your trips, observe signage and follow the direction of onsite traffic controllers, refer to detour map overleaf.

During the works, there may be some noise and dust from time to time, but we'll do our best to keep the disruption to a minimum. You might also notice some odours, which is normal during asphalt work.

Local access to properties will be maintained at all times. If short term access restrictions are required, impacted residents will be contacted directly.

When

From Tuesday 10 November 2026 to late 2026, weather permitting

Hours of work

Night works

Sunday to Friday 7:30pm to 6am

Intermittent day works may be required.

Where

Lobethal Road, between Deviation Road, Forest Range and Swamp Road, Lenswood.
