2. Review Minutes of Previous Meeting	Minutes from Meeting 10 (30 August 2018) reviewed and endorsed.	
3. Review Business Arising From Minutes	<p>Tonsley Precinct Masterplan presentation information be provided to members. Action</p> <p>Yvonne</p> <ul style="list-style-type: none"> • Raised concerns about the design of the Tonsley Boulevard/South Road intersection, in relation to the plan presented at the last CLG meeting. AH advised that the incorrect design and information was unfortunately given at the last meeting. The design is as per information provided early this year AH provided all members with correct design. • Concerned once project is completed that heavy vehicles will rat race around the back streets of St Mary’s due to the removal of right turns. SS advised that DPTI will assist wherever possible in arranging a conversation with Renewal SA and City of Marion regarding the Selgar Avenue connectivity. • There may be a request to change the type of fencing at Ragless Reserve. SS advised that the project team is fast-tracking the installation of fencing at council’s request so if there are changes it is important they are requested asap. . <p>Kevin</p> <ul style="list-style-type: none"> • Access for the businesses in Selgar Avenue is an issue and will become more difficult after the removal of the right turn out of Selgar Avenue due to the project. Approximately 300 staff work in this location and there are approximately 1700 vehicle movements per day. 	<p>ACTION (DPTI)</p> <p>ACTION (DPTI)</p>

	<ul style="list-style-type: none"> • Connection from Selgar Avenue into the Tonsley precinct would resolve many issues in the future, however I have received an email from Renewal SA confirming that it is not possible to provide any such connection. The project team advised that they were unaware of this advice and asked that Kevin send a copy through. Kevin to send a copy of the email to GS/DPTI. Action • SS advised that is not a Darlington Upgrade Project issue but will assist wherever possible in arranging a conversation with Renewal SA and City of Marion. Action <p>John Traffic on Brookside Road is banking up past McDonalds as a result of the traffic signals that have been installed. SS advised that the intersection is currently operating in an interim arrangement and the project team is investigating measures to improve its functionality in the interim.</p> <ul style="list-style-type: none"> • Can there be a left turning lane out of Brookside Road by acquiring some land from the Shell service station? SS advised this is not an option that is being explored and reiterated the intersection is currently operating in an interim configuration. • Have the businesses in the area, including McDonalds and Shell, been informed of the works/changes? AH advised that the project have been working very closely with all businesses. SS also advised we are working hard to complete the southern section of the project and move out of this area of the project as quickly and safely as we can. <p>Lindy</p> <ul style="list-style-type: none"> • After completion of the project who is responsible for the maintenance of graffiti? DPTI to follow up and report back. Action • Who is responsible for the maintenance of landscaping on completion of the project? SS advised that Gateway South is responsible for three years then it is handed over to local councils. 	<p>ACTION (Kevin)</p> <p>ACTION (DPTI)</p> <p>ACTION (DPTI)</p>
<p>4. Project Update</p>	<p>Greg Zani provided update.</p> <ul style="list-style-type: none"> • 50% of excavation works for the lowered motorway are complete. • The second Main South Road bridge over the Southern Expressway was installed successfully last weekend. • Construction of the off-ramp for bridge three is ongoing. • Sturt Road bridge construction is ongoing. Deck was poured recently. Traffic to be shifted onto the new bridge later in the year. • Construction of the on -ramp for the Ayliffes Road Bridge is ongoing. • Traffic switch 6A2: Flinders Drive intersection, this will change access for southbound traffic accessing Southern Expressway. Changes come into effect at 6am Monday 3 September. • Traffic switch St Marys: moving northbound traffic onto the new constructed surface roads. This will allow construction of the southbound surface roads and Tonsley Boulevard Bridge to commence. This will be in place for approximately 8-9 months. • Mimosa Terrace/Sutton Road bridge works ongoing - deck poured. • Flinders Drive extension, first section between MSR and Laffer Drive will come online October. Car parking on Laffer Drive will be temporarily removed. <p>Upcoming works for remainder of September and October 2018:</p> <ul style="list-style-type: none"> • Continued bridge works for: <ul style="list-style-type: none"> ○ Tonsley Boulevard bridge ○ Traffic switch St Marys (northern end of the project) ○ Sturt Road Bridge open to traffic ○ Ayliffes Road bridge – northern section to be installed weekend 7-10 September ○ Sutton Road/Mimosa Terrace bridge. • Carpark reconfiguration works within Bedford Medical Clinic. • Asphalt works across the project site (project wide). • Completion of Flinders Drive /Laffer Drive intersection. 	

<p>5. Flinders Link Update</p>	<p>Neil Welsh provided update. The proposed Flinders Link Project is in the planning and design phase.</p>	
<p>6. Round The Table</p>	<p>David</p> <ul style="list-style-type: none"> Ongoing access issues with Selgar Avenue, as previously discussed <p>Bruce Cussans</p> <ul style="list-style-type: none"> Yellow line marking are working well Noticed that a new Bunnings is being built on South Road at Edwardstown. Why is this being done if this section of road is part of the next stage of the South Road upgrade? SS advised that we currently have no funding for the next section and that it is the Governments long term goal to have the non-stop north-south corridor. There are no confirmed details of the next stage. Many businesses have short-term business plans and we cannot comment on their decision to build in this location. <p>Daryl</p> <ul style="list-style-type: none"> There is an arrow on traffic movement plan in the centre of the Ayliffes Road bridge install notification that is pointing in the wrong direction. AH to have the map corrected and re-sent to the group. <p>Reynold</p> <ul style="list-style-type: none"> There are quite a few weeds alongside the noise walls. GS to follow up as to when next round of vegetation management will be undertaken. Action When will property noise treatments be installed? AH advised that engagement is currently being undertaken with properties that have been identified as potentially being eligible. Assessments of these 164 properties are being undertaken with an acoustic engineer and architect where required. From here, the total number of eligible properties will be confirmed. Would like to post the Ayliffes Road bridge installation flyer on the BPRAs FB page. AH will send out updated flyer tomorrow. <p>Suzi</p> <ul style="list-style-type: none"> At the Ayliffes Road intersection there are two stop bars which is a bit confusing. GZ advised that this will be fixed as part of the upcoming traffic switch. Vehicles parking in the Ayliffes Road U-turn, are people allowed to park here? AH advised this is a no standing zone. Can there be a sign located for the Ayliffes Road U-turn (50 meter before the U-turn facility) GS to follow up. Action <p>Lindy</p> <ul style="list-style-type: none"> I would like to thank the Darlington project team for all the hard work will these major milestones. Great work. Would like some plans of the project to be display at the Women's Memorial playing fields upcoming AGM. GS to arrange. Action Will the Ayliffes Road units be invited to the Ayliffes bridge install morning tea? GS advised that this is only for a small group of VIP's and another time the project will look at doing a community event. 	<p>ACTION (GS)</p> <p>ACTION (GS)</p> <p>ACTION (GS)</p> <p>ACTION (GS/DPTI)</p> <p>ACTION (GS)</p>
