

Main North Road and Nottage Terrace Intersection Upgrade

The extension of the existing northbound bicycle lane on Main North Road through the intersection.

Widening of Main North Road (west side), with the installation of dual right turn lanes onto Nottage Terrace travelling eastbound, and the addition of a priority bus lane through the intersection travelling northbound. Two through lanes on Main North Road travelling northbound.

Widening of Main North Road (east side) to accommodate the left turn lane onto Nottage Terrace travelling eastbound. Extension of the bus priority lane at the intersection travelling southbound.

Eight car parks to be retained.

Widening of Nottage Terrace (south side) to accommodate an extension of the right turn lanes travelling northbound from Nottage Terrace onto Main North Road.

- Other proposed treatments:
- Access at Wilson Street, College Avenue, Victoria Avenue to be retained.
 - Upgraded pedestrian crossings, including new pedestrian crossing lights and ramps.
 - Pavement construction and surfacing.
 - New and upgraded traffic signals, road lighting, line marking and drainage.
