Thank You

The Coast Park Stage One, a 1.3 km Shared Use Path between Third Avenue Semaphore and Wara Wayingga – Tennyson Dunes Conservation Park, is now complete and open for use.

We'd like to thank you for your interest and patience while we built the path and for taking the time to provide us your feedback.

We still have some wayfinding signage to install in the coming weeks and final dune planting to complete. This will start in Autumn.

The design for Stage Two of the Coast Park Path, between Terminus Street, Grange and Bournemouth Street, Tennyson, is expected to be complete in mid-2024.
