Dear Tammy

Thank you for the search request dated 08 Dec 2023. The search was based on the title details - Title Type: CT, Volume: 5693, Folio: 461. The address for this parcel is: 16 BANFIELD RD GOOLWA NORTH SA 5214. Your reference is 6061.

I advise that the central archive, which includes the Register of Aboriginal Sites and Objects (the Register), administered by Aboriginal Affairs and Reconciliation (AAR), has no entries for Aboriginal sites at this location.

The applicant is advised that sites or objects may exist in the proposed development area, even though the Register does not identify them. All Aboriginal sites and objects are protected under the *Aboriginal Heritage Act 1988* (the Act), whether they are listed in the central archive or not. Land within 200 metres of a watercourse (for example the River Murray and its overflow areas) in particular, may contain Aboriginal sites and objects.

Pursuant to the Act, it is an offence to damage, disturb or interfere with any Aboriginal site, object or remains (registered or not) without the authority of the Minister for Aboriginal Affairs and Reconciliation (the Minister). If the planned activity is likely to damage, disturb or interfere with a site, object or remains, authorisation of the activity must be first obtained from the Minister under Section 23 of the Act. Section 20 of the Act requires that any Aboriginal sites, objects or remains, discovered on the land, need to be reported to the Minister. Penalties apply for failure to comply with the Act. It should be noted that this Aboriginal heritage advice has not addressed any relevant obligations pursuant to the *Native Title Act 1993*.

Please be aware in this area there are Aboriginal groups/organisations/traditional owners that may have an interest. These may include:

Dear Tammy

Thank you for the search request dated 08 Dec 2023. The search was based on the title details - Title Type: CT, Volume: 6095, Folio: 954. The address for this parcel is: 4 BANFIELD RD GOOLWA NORTH SA 5214. Your reference is 6061.

I advise that the central archive, which includes the Register of Aboriginal Sites and Objects (the Register), administered by Aboriginal Affairs and Reconciliation (AAR), has entries for Aboriginal sites at this location.

Cultural Heritage Sites (Area) in the property:

Map Number	Site Number	Site Type	Site Status
6626	4727	Cultural	Registered

The enclosed map identifies the approximate site location. It should be noted however that the site indicator does not reflect the actual area of the site; as this will vary from site to site, depending on the site information contained in the Central Archive.

The "Meeting of the Waters" is described as a cultural site which includes the Goolwa Channel and pre-barrage, tidal reaches of the Finniss River and Currency Creek, extends to the Murray Mouth and entrances to Lake Alexandrina and the Coorong.

The applicant is advised that sites or objects may exist in the proposed development area, even though the Register does not identify them. All Aboriginal sites and objects are protected under the *Aboriginal Heritage Act 1988* (the Act), whether they are listed in the central archive or not. Land within 200 metres of a watercourse (for example the River Murray and its overflow areas) in particular, may contain Aboriginal sites and objects.

Terms and conditions for use of information derived from the central archive:

- Information derived from the central archives is confidential under section 10 of the *Aboriginal Heritage Act 1988* (the Act)
- Under section 35 of the Act, information derived from the central archives must not be divulged contrary to Aboriginal tradition unless authorised under these terms and conditions.
- Breaches of sections 10 and 35 of the Act may attract fines of up to \$10,000 or imprisonment for 6 months.
- The Applicant agrees to use the confidential information solely for the approved purpose in line with the specified current or contemplated approved use, subject to any restrictions of use detailed on this request form.
- The Applicant agrees that they are only authorised to disclose or transfer the confidential information to parties listed on this form and in accordance with any restrictions of use detailed on this request form.
- The Applicant agrees that all confidential information must remain marked "confidential", including where the information is shared in accordance with the approved use detailed on this request form.
- The Applicant will keep all information derived from the central archives (either digital or hard copy) in a secure location/format.
- If there has been any unauthorised release or use of any information derived from the central archives other than for the approved purpose and/or approved use in accordance with the restrictions of use, the Applicant will notify AAR immediately.
- All information derived from the central archives (both digital and any hard copies) must be destroyed once no longer required for the approved purpose, unless an updated central archives access information request form has been approved by AAR.
