

# Road Safety Program

## Black Road, Happy Valley shoulder works

**We are upgrading Black Road, between Main South Road and the Happy Valley Drive roundabout, to improve safety and efficiency for all road users**

These works form part of the \$168 million Road Safety Program, jointly funded by the Australian (50%) and South Australian (50%) governments.

### What's happening

Works are continuing on Black Road between Main South Road and the Happy Valley roundabout.

### How this affects you

**Black Road will remain open at all times.**

To safely undertake these works, speed and lane restrictions will continue to be in place throughout the area. Speed restrictions will remain in place outside of work hours. Please plan your trips, take care when traveling through the area and follow the directions of onsite traffic controllers.

Access to businesses and properties will be maintained. If temporary access restrictions are required, advanced notice will be provided.

Thank you for your understanding while these important works are undertaken.
