

# Main South Road and Chandlers Hill Road Pedestrian Crossing Upgrade

## Night works notice

**We are making it safer and more convenient to use the intersection of Main South Road and Chandlers Hill Road, O'Halloran Hill**

The \$168 million Road Safety Program is jointly funded by the Australian (50%) and South Australian (50%) Governments over three years.

## What's happening

Construction works on the new signalised pedestrian crosswalk at the intersection of Main South Road and Chandlers Hill Road are progressing well. **To safely undertake the next stage of works, nightworks will be undertaken from Sunday, 15 March until late-April 2026.**

## How this affects you

To keep everyone safe, intermittent road closures will be in place on Main South Road and Chandlers Hill Road during nightworks. During these closures, detours will be in place with speeds reduced. Please follow traffic management directions while these works are in progress.

During dayworks, speed and lane restrictions will be in place as required. Outside of working hours, speed restrictions will remain in place until completion.

Pedestrians and cyclists, please be cautious when passing through work zones. Some areas might have limited access for safety, with signage in place to guide you.

During the works, there may be some noise and dust from time to time, but we'll do our best to keep the disruption to a minimum. Thank you for your patience while these works are undertaken.

### When

Sunday 15 March to late-April 2026, weather permitting

### Hours of work

#### Dayworks

Monday to Friday between the hours of 7am and 6pm

#### Nightworks

Sunday to Friday between the hours of 7pm and 6am, as required.

### Where

Intersection of Main South Road and Chandlers Hill Road, O'Halloran Hill
