

Adelaide Hills Productivity and Road Safety Package - Balhannah Intersection Upgrades

Works notice

We're delivering productivity and safety upgrades in Balhannah

What's happening

Following completion of the Onkaparinga Valley Road, Junction Road and Nairne Road intersection upgrade in Balhannah, some additional drainage works are required on Nairne Road.

Works will be undertaken from Monday 26 October 2026 until early November 2026, weather permitting.

Access to businesses and driveways will be maintained throughout works.

Please avoid queuing over driveways and continue to support local businesses during this time.

How this affects you

To keep everyone safe, the **southbound lane on Nairne Road will be temporarily closed** for the duration of the works with speed restrictions and detours in place. See detour map overleaf.

Please follow traffic management directions while works are in progress.

Pedestrians and cyclists, please be cautious when passing through work zones. Some areas might have limited access for safety. **Pedestrians can access Onkaparinga Valley Road and local businesses from the carpark through the pathway next to Field Trip.** See detour map overleaf.

When

Monday 26 October 2026 until early November 2026, weather permitting

Hours of work

Monday to Friday
Between the hours of 9am and 4pm

Where

Nairne Road, Balhannah
