NOTICE OF CHANGES TO TRAFFIC CONDITIONS

PORT ADELAIDE

As part of the overall works for Stages 2 & 3 of the Port River Expressway project, sections of Eastern Parade and Grand Trunkway will be closed for roadworks from Monday 19th February 2007 to Monday 5th March 2007.

Eastern Parade will be closed to through traffic between the Port River Expressway and the intersection with Grand Trunkway and Perkins Drive. Local traffic access will be maintained for all businesses located on this section of Eastern Parade. Motorists can access the Grand Trunkway via Francis Street and Perkins Drive.

A second section of Eastern Parade, extending 100metres from the intersection of Ocean Steamers Road and Eastern Parade toward the intersection of Grand Trunkway and Perkins Drive will also be closed. Motorists can access Ocean Steamers Road via a detour off Eastern Parade, west of the intersection with Grand Trunkway and Perkins Drive.

A section of Grand Trunkway, north of the intersection with Eastern Parade and Perkins Drive will also be closed. A detour around these works will be in place to allow two-way traffic to be maintained.

Motorists are advised to expect some delays. All detours will be clearly marked with speed limitations of 25kph in place during the hours of 7.00am to 5.00pm from Monday to Saturday. A speed limit of 40 kph will apply at all other times.

For further information on construction activities and changes to traffic conditions, please contact Abigroup by phoning 1300 130 653. Alternatively, email portriver@abigroup.com.au or log onto the project website www.transport.sa.gov.au/transport_network/projects/port_xpress

Thank you for your cooperation and patience during construction.
