Dear Mr Mullighan

INTERNAL REVIEW OF A DETERMINATION – UNDER THE FREEDOM OF INFORMATION ACT 1991

On 4 December 2018, the Office of the Minister for Transport, Infrastructure and Local Government, Minister for Planning received your initial application made pursuant to the *Freedom of Information Act 1991* (the Act) for access to –

“All minutes, briefings, notes, emails and correspondence held by Sarah Taylor, in the Office of the Minister for Transport, Infrastructure, Local Government and Planning, regarding the proposed hotel development at Adelaide Oval from 19 March 2018 until 30 November 2018.”

On 17 January 2019 your application for internal review made pursuant to section 19 (2)(b) of the Act was received. I have reviewed the deemed refused status of your original application and I have determined to process the request as if the statutory time frame has been met.

A search of documents held by the Office of the Minister for Transport, Infrastructure and Local Government, Minister for Planning was undertaken. I wish to advise that 14 documents have been identified within the scope of your request.

Please refer to the attached schedule that describes each document and sets out my determination and reasons in summary form.

I have determined to grant partial access to document 007, 009, 012 and 013 and have removed the personal contact details within the document that I have determined are exempt, in accordance with clause 6 (1) of the Act which states:

6-Documents affecting personal affairs

(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead.)

Minister for Transport, Infrastructure and Local Government
Minister for Planning

Roma Mitchell House Adelaide SA 5000 | GPO Box 1533 Adelaide SA 5001 DX 171
Tel 08 7109 8430 | Email ministerknoll@sa.gov.au

Document 004 has sections and 1 attachment I have determined to grant partial access to Document 004 and refuse access to the attachment. This document and the attachment contains matter that relates to a deliberation of Cabinet and personal affairs, and as such are exempt in accordance with the following clause of the Act:

1 – Cabinet Documents

(1) *A document is an exempt document—*

(e) *if it contains matter the disclosure of which would disclose information concerning any deliberation or decision of Cabinet.*

(f) *if it is a briefing paper specifically prepared for the use of a Minister in relation to a matter submitted, or proposed to be submitted to Cabinet*

I have determined to grant partial access to 002, 003, 006 and 008 and have removed the content affecting business affairs in accordance with clause 7(1)(b)(i)(ii)(b) of the Act and personal affairs in accordance with clause 6(1).

In addition, I have determined to refuse you access to Document 001 in full, also in accordance with clause 7(1)(b)(i)(ii)(b) of the Act which states -

7—Documents affecting business affairs

(1) *A document is an exempt document—*

(b) *if it contains matter—*

(i) *consisting of information (other than trade secrets) that has a commercial value to any agency or any other person; and*

(ii) *the disclosure of which—*

(A) *could reasonably be expected to destroy or diminish the commercial value of the information;*

and

(B) *would, on balance, be contrary to the public interest*

In considering the grounds for exemption using clause 7(1)(b)(i)(ii)(b) I am required to consider for the public interest in disclosure or non-closure.

Factors in favour of release include:

- The public interest in fulfilling the objects of the FOI Act, and promoting openness and accountability within government.
- The public interest in scrutiny of government decision making.
- Providing an individual with information that is of special interest to them

Factors against release include:

- The public interest in ensuring the efficient and effective conduct of the agency's functions.
- The need for some confidentiality to allow the agency to operate efficiently.
- The need to protect the commercial and financial interests of a third party

In this case I find the factors against disclosure outweigh those in favour and therefore consider the sections within Documents 002, 003, 006 and 008 and Document 001 in full exempt under the Act.

I have determined to grant partial access to Document 005 and 014. I have removed the personal contact details within the document that I have determined are exempt in accordance with clause 6(1). I have also removed content (and an attachment) in accordance with clause 9(1) (a)(i)(b) of the Act which states:

9 – Internal working documents

A document is an exempt document if it contains matter –

(a) that relates to –

(i) any opinion, advice or recommendation that has been obtained, prepared or recorded;

in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or an agency; and

(b) the disclosure of which would, on balance, be contrary to the public interest.

In considering the grounds for exemption using clause 9 (1)(a)(i)(b), I am required to consider for the public interest in disclosure or non-closure.

Factors in favour of release include:

- The public interest in fulfilling the objects of the FOI Act, and promoting openness and accountability within government.
- The public interest in scrutiny of government decision making.
- Information relating to the expenditure of public funds and release may enable effective oversight of government expenditure.

Factors against release include:

- The public interest in ensuring the efficient and effective conduct of the agency's functions.
- The need for some confidentiality to allow the agency to operate efficiently.
- The need to protect the commercial and financial interests of a third party
- Encouraging the free exchange of ideas during deliberative processes, including through the frank and candid assessment of advice supplied to government.

In this case I find the factors against disclosure outweigh those in favour and therefore consider sections of Documents 005 and 014 (and its attachment) exempt under the Act.

I have determined to grant partial access to Document 010 and 011. I have removed the personal contact details within the document that I have determined are exempt in accordance with clause 6(1). I have also removed content in accordance with clause 17(c) of the Act which states:

17—Documents subject to contempt etc

*A document is an exempt document if it contains matter the public disclosure of which would, but for any immunity of the Crown—
(c) infringe the privilege of Parliament.*

Attached is an explanation of the provisions of the Act which details your rights to review and appeal this determination, and the process to be followed.

If you have any questions in relation to the matter, please contact Rachel Stone, Freedom of Information Officer on telephone (08) 7109 8419 or via email at rachel.stone@sa.gov.au

Yours sincerely

Hey,

Just some questions that hopefully aren't too difficult, is the proposed hotel in the "core area" of the Oval as defined under the Adelaide Oval Redevelopment Act 2011?

Or does it go outside of the core area?

Has the core area in the 2011 legislation been extended to take in the hotel?

Cheers
