

Introduction of Emu Crossings on Barnet Road

Barnet Road Upgrade Key Features:

- Emu Crossings will be constructed by the Town of Gawler through the Way2Go Grants funding for safer schools. Emu Crossing works are scheduled to commence early June 2019 and be completed by the end of June 2019, weather permitting.
- Emu Crossing 1 (next to the Childcare Centre) will be constructed first, followed by Emu Crossing 2 (next to the Gawler & District College B-12 and Bunnings).

Traffic Management:

- Emu Crossing 1: Access on Barnet Rd will be maintained at all times, with speed and lane restrictions in place.
- Emu Crossing 2: Two-way access on Barnet Road will be maintained at all times, and may require some use of the existing parking bays, with speed and lane restrictions in place.
- Pedestrian access will be maintained.

Thank you for your patience while these important works are undertaken.

Emu Crossing Features:

- Emu Crossings have white road markings and red "CHILDREN CROSSING" flags displayed on red and white posts. They are located in school zones.
- Emu Crossings are part time crossings. They are operational when the "CHILDREN CROSSING" flags are displayed.
- Flags are displayed during main crossing times e.g. 30 minutes before school starts and/or 30 minutes after school ends and/or during lunch times. Flags should be taken down at the end of each crossing period.
