

Granite Island Causeway Project

Dear Stakeholder,

The 2019-20 State Budget committed an initial \$20 million towards the Granite Island Causeway Project to be delivered by The Department of Planning, Transport and Infrastructure (DPTI).

The Granite Island Causeway is an iconic landmark with considerable heritage value. The Causeway is the only link between Granite Island and the mainland at Victor Harbor and is of cultural significance, a popular tourist attraction and important to the local, regional and state economies.

DPTI is seeking community feedback on the key requirements to be considered.

We would like to invite you to a Community Information drop-in Session to learn more about the project, provide feedback and understand the issues and concerns of the community. Information sessions will be held as follows:

Venue: Victor Harbor Bowling Club, Flinders Parade, Victor Harbor

Date: Monday, 9 December

Time: Call in any time between midday and 2pm, or between 5pm and 7pm.

Aboriginal and Torres Strait Islander people are encouraged to attend.

If you would like to register your details to continue to receive updates or for further information on this project, please:
