- 14.2. A schedule of regular meetings will be published at the commencement of each term of the SCAP.
- 14.3. When required, meetings and/or site inspections may need to be held in a regional location, and could require an overnight stay. The arrangements for these will be negotiated as far ahead as practical with SCAP Members.
- 14.4. Where possible, Members will provide advance notice (at least 10 business days) of a Member's inability to attend a meeting or function of the SCAP.
- 14.5. The SCAP will work with the Commission and the Department to ensure that sufficient Members are available for a meeting to form a quorum for the purpose of making a decision. Where a quorum cannot be achieved, that item or meeting will be cancelled and rescheduled.

15. Site Visits

- 15.1. Where practical, members will endeavour to view the site of the development prior to the meeting, bearing in mind they cannot engage in any communication or trespass.
- 15.2. Where group site inspections are to be undertaken, these will be pre-arranged in consultation with the SCAP Members and Department staff.

16. Agendas and supporting documentation

- 16.1. All SCAP business will be conducted on secure government emails to support confidentiality and the provisions of the *State Records Act 1997* and *Freedom of Information Act 1991*. - 16.5. SCAP Members are required to read the relevant agenda item materials prior to meetings to ensure they are suitably informed and able to participate in the discussion and decision making process.

17. General Proceedings

- 17.1. The SCAP may conduct meetings by telephone or audio-visual equipment provided members have prior notice and concur to the arrangements.
- 17.2. The Presiding Member will preside over meetings of the SCAP. The Deputy Presiding Member will preside over meetings if the Presiding Member is absent. In the absence of both the Presiding and Deputy Presiding Members, another member of the SCAP will be chosen by those members present to preside over the meeting.
- 17.3. A quorum of the SCAP consists of a number ascertained by dividing the total number of appointed SCAP Members by two, ignoring any fraction resulting from the division, and adding one (and no business may be transacted at a meeting of the SCAP unless a quorum is present). This does not include Occasional Members unless they are appointed to a particular meeting.
- 17.4. Each member has one vote, and the Presiding Member has a casting vote, if required to address an even vote.

19. Minutes

- 19.1. Minutes of meetings will be kept and prepared in a form agreed to by the Presiding Member and the SCAP Secretariat.
- 19.2. As decisions of the SCAP are carried by the majority of votes cast, the minutes will only record the decision and not the votes for or against, as these are irrelevant once the majority is determined.

Therefore, in addition to the standard meeting agenda and minutes above, separate meeting agendas and minutes will be prepared and kept for the following:
- 20.1.1. Recommendations for Crown development applications. It is noted that the final decision from the Minister in the form of a Decision Notification Form is made available on the SCAP public register.
 - 20.1.2. Matters such as (but not limited to) legal advice, consideration of compromise proposals arising from court appeals, other court matters, internal staff briefings and compliance or enforcement matters.
- 20.2. As with general matters, the SCAP agenda for Crown developments will be made available on the SCAP website 4 business days prior to the meeting.

- 20.3. These meeting agendas and minutes will follow the same format and processes as the standard meeting agendas and minutes, where relevant.

Hearing of Verbal Representations

23. Hearing of Verbal Representations

- 23.1. The primary purpose of a hearing of verbal representations is for the representor to be heard in support of their representation. This requires the attendance of the representor (or their nominated representative) to enable two-way communication.
- 23.2. The hearing does not enable debate between representors and the applicant.
- 23.3. When a representor is advised of a hearing, it is essential that every effort is made to notify the SCAP of attendance as soon as possible, and prior to the nominated date. This enables the SCAP to allocate sufficient time to hear the verbal representations. Representors may make their submissions via a phone, video or web link, however this must be arranged in advance.
- 23.4. Only the person who made the written submission can speak at a hearing, unless a representative of this person has been nominated to attend and speak at the hearing. This nomination must be made by the valid representor, in writing and prior to the hearing.
- 23.5. Pre-recorded verbal submissions will not be accepted.
- 23.6. Verbal submissions of representors must be limited to no more than 5 minutes and relevant visual representations may be provided. It is recommended that representors highlight those issues of greatest concern and are encouraged to elaborate on issues or raise new issues, rather than re-read their written submissions.

- 23.7. The Presiding Member will allow any SCAP Member to ask relevant questions of any person appearing before it, and may refuse to allow any questions, comment or debate that in his or her opinion is not relevant to the subject matter or beyond the scope of the decision.
- 23.8. The Hearing will generally be conducted in the following way:
- 23.8.1. An outline of the project context and philosophy will be provided by the applicant, particularly highlighting updates and changes made in response to public and agency comments (maximum 10 minutes);
 - 23.8.2. Individual hearing of representors (maximum 5 minutes per presentation);
 - 23.8.3. SCAP Members may ask questions of representors at the end of their presentation;
 - 23.8.4. Hearing from State Agencies and Council (as appropriate) (maximum 5 minutes per presentation);
 - 23.8.5. SCAP Members may ask questions of the Agencies/Council at the end of their presentation;
 - 23.8.6. Applicant's response (as required to respond to the issues raised);
 - 23.8.7. SCAP Members may ask questions of the applicant at the end of their response;
- 23.9. Hearings generally commence on time. Members of the public and media who attend to observe hearings will not be admitted to a meeting if they arrive more than 5 minutes after the commencement of the meeting to avoid disruption and distraction for representors.

24. Attendance at the Hearing of Verbal Representations by members of the public and the Media

- 24.1. Members of the public, including journalists, must arrive at the nominated time of the agenda item they wish to attend.
- 24.2. The Presiding Member will endeavour to create an environment conducive to the respectful sharing of information. This will include:

- 25.2. All invited attendees, members of the public and the media will sign the attendance sheet prior to admittance to a meeting.
- 25.3. Everyone invited to attend a meeting will be provided a copy of the User Guidelines for Representors/Applicants/Councils prior to the meeting.
- 25.4. The Presiding Member will be provided a copy of the attendance sheet with the names of all visitors attending the meeting, and at the commencement of each agenda item will outline the requirements and obligations of those attending.
- 25.5. If a visitor of a meeting becomes disruptive or behaves inappropriately in any way:
 - 25.5.1. The Presiding Member will interrupt the meeting and warn the person (once only), to stop the behaviour or they will be asked to leave the meeting.

APPENDIX 1 – Minister’s Code of Conduct for Assessment Panel Members (#17543498)

Assessment Panel Members – Code of Conduct

Introduction

Under Schedule 3 of the *Planning, Development and Infrastructure Act 2016* (PDI Act) the Minister may adopt a code of conduct to be observed by members of an assessment panel established under the PDI Act. This code of conduct sets out standards of conduct and professionalism that are to be observed by all members of assessment panels under the PDI Act. This code of conduct must be read in conjunction with the Act.

For the purposes of the PDI Act, a key requirement is that all members of assessment panels must carry out, and be seen to carry out, their functions with the highest ethical standards so as to maintain public confidence in the integrity of development assessment under the Act.

The code is the key tool to ensure that all members of assessment panels act honestly and ethically with a high degree of accountability. If a member of an assessment panel has any doubt in regard to any function they may perform under the Act they should seek the advice of the panel's assessment manager or some other appropriate person.

While some members of an assessment panel may also be bound by other codes of conduct or professional standards issued by their respective professional associations, they have no legal status under the Act. If there is a conflict between a requirement in this code of conduct and any other professional code or standard, this code prevails for the purposes of the Act.

Legislative framework

Under section 15 of the PDI Act, all members of assessment panels are subject to a statutory duty as described in the section as follows:

- (1) *It is expected that a person or body that—*
 - (a) *seeks to obtain an authorisation under this Act; or*
 - (b) *performs, exercises or discharges a function, power or duty under this Act; or*
 - (c) *takes the benefit of this Act or is otherwise involved in a process provided by this Act, will—*
 - (d) *act in a cooperative and constructive way; and*
 - (e) *be honest and open in interacting with other entities under this Act; and*
 - (f) *be prepared to find reasonable solutions to issues that affect other interested parties or third parties.*

- (2) *Without limiting subsection (1), a person or body performing, exercising or discharging a function, power or duty under this Act must-*
- (a) *exercise professional care and diligence; and*
 - (b) *act honestly and in an impartial manner; and*
 - (c) *be responsible and accountable in its conduct; and*
 - (d) *comply with any code of conduct, service benchmark or other requirement that applies in relation to the person or body.*
- (3) *The Minister may, after taking into account the advice of the Commission, establish and maintain service benchmarks for the purposes of this section.*
- (4) *The principles and benchmarks under this section— (a) do not give rise to substantive rights or liabilities; but (b) may lead to action being taken on account of a breach of a code of conduct or professional standard that applies in relation to a relevant person or body.*
