

Station Refresh Program Works

Salisbury Railway Station and Bus Interchange

The Department for Infrastructure and Transport (the Department) is delivering improvement works at 14 stations along the Gawler rail line. The Australian and South Australian governments have jointly (50:50) committed \$20 million as part of the Gawler Rail Line Station Refresh Program.

Works at Salisbury Railway Station and Bus Interchange include:

- repainting of station and interchange shelters;
- platform and interchange cleaning and repairs;
- installation of new seats and bins;
- LED platform lighting;
- new station signage;
- line marking;
- new public toilet;
- new bike cage; and
- fencing repainted.

Works will be carried out intermittently at the station from the week commencing **Monday, 17 January 2022** with painting of the bus interchange to complete the works in late 2022, weather permitting. Hours of work will generally be 7am to 5pm Monday to Saturday. As the project progresses intermittent weekend night works will occur from 9pm to 6am, Friday evening to Sunday morning. The project team will notify any directly impacted businesses prior to these night works occurring.

Whilst the new public toilet is constructed, the current toilets will not be available for use.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Some temporary changes to pedestrian access and bus zones may be required around the works site and pedestrians are advised to follow directional signage. Every effort will be made to minimise impacts to the community.

For further information on public transport services, please contact Adelaide Metro on 1300 311 108 or visit www.adelaidemetro.com.au

If you have questions or would like to speak to a member of the project team, please call 1300 794 880, email dit.communityrelations@sa.gov.au or visit www.dit.sa.gov.au/stationrefresh

The Department appreciates your co-operation and patience while these important works are undertaken.

Kind Regards
Community and Stakeholder Engagement Team
