

Adelaide Hills Productivity and Road Safety Package

Main Road, Cherry Gardens

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region. The road improvements will support economic growth, improve road safety and increase fire resilience.

The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

Project update

Major works are progressing well along Main Road, between Black Road, Coromandel Valley and Chandlers Hill Road, Cherry Gardens.

Going forward, the majority of work will occur during the day. Some night works are unavoidable and will be required to ensure traffic impacts are managed efficiently when undertaking pavement rehabilitation and asphaltting activities.

We appreciate the local community and drivers' patience while this important work is undertaken.

and Transport

What's happening

Road widening and drainage installation activities are currently underway and safety barrier installation and asphaltting works will start soon.

Traffic arrangements and working hours will change throughout the project to suit construction activities and ensure the safety of workers and the community.

How this affects you

From Monday 6 May 2024 until late July, works will be undertaken during the day with intermittent night works. Changed traffic conditions will be in place throughout the work area. We ask that you take care when travelling through the work zone

Day works detour

During day works, Main Road between Black Road and Cherry Gardens Road will be temporarily closed, with detours in place.

When

From Monday 6 May 2024 until late July 2024

Hours of operation

Day works

Monday to Friday
7am to 5pm

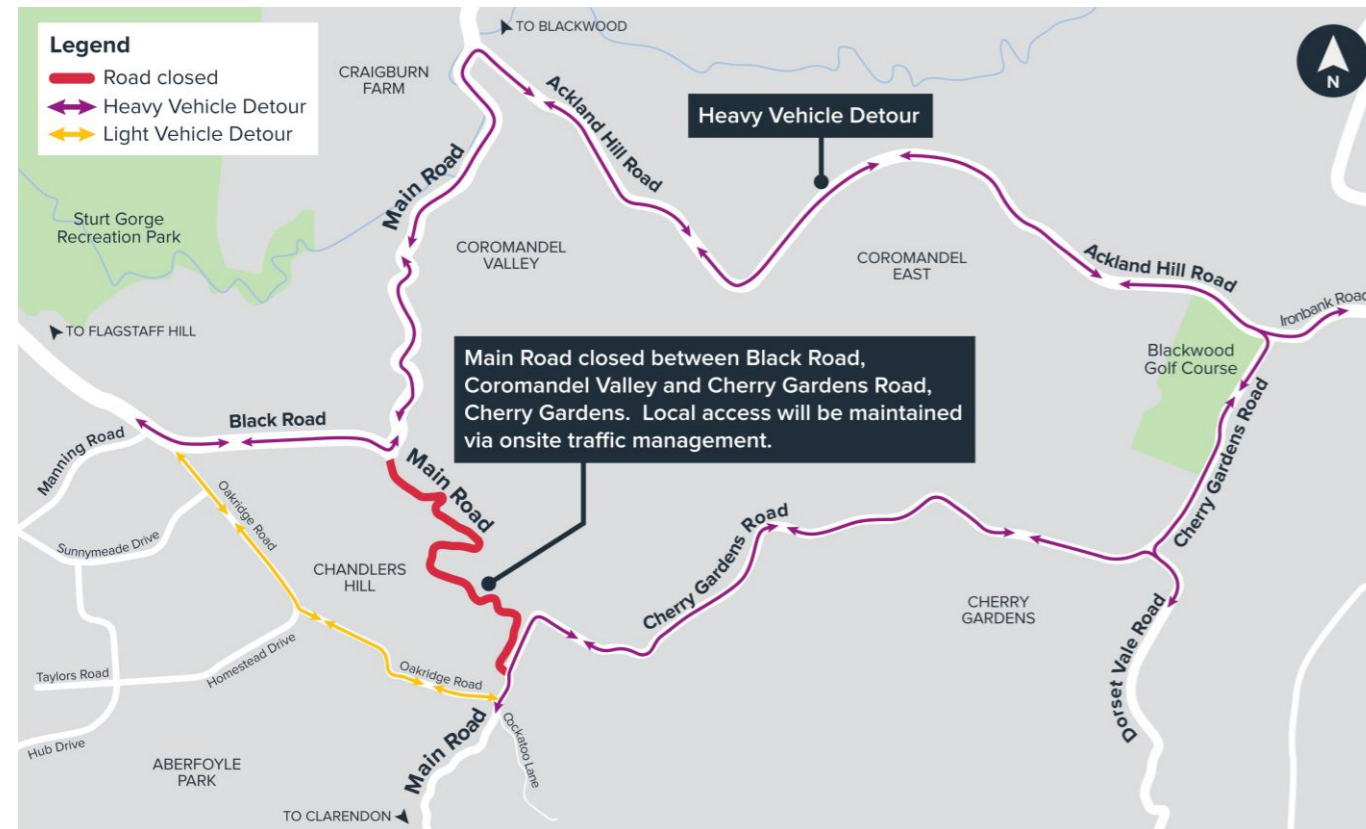

Night works

Monday to Friday
From Monday 27 May to Friday 21 June 2024.

7pm to 6am, weather permitting.

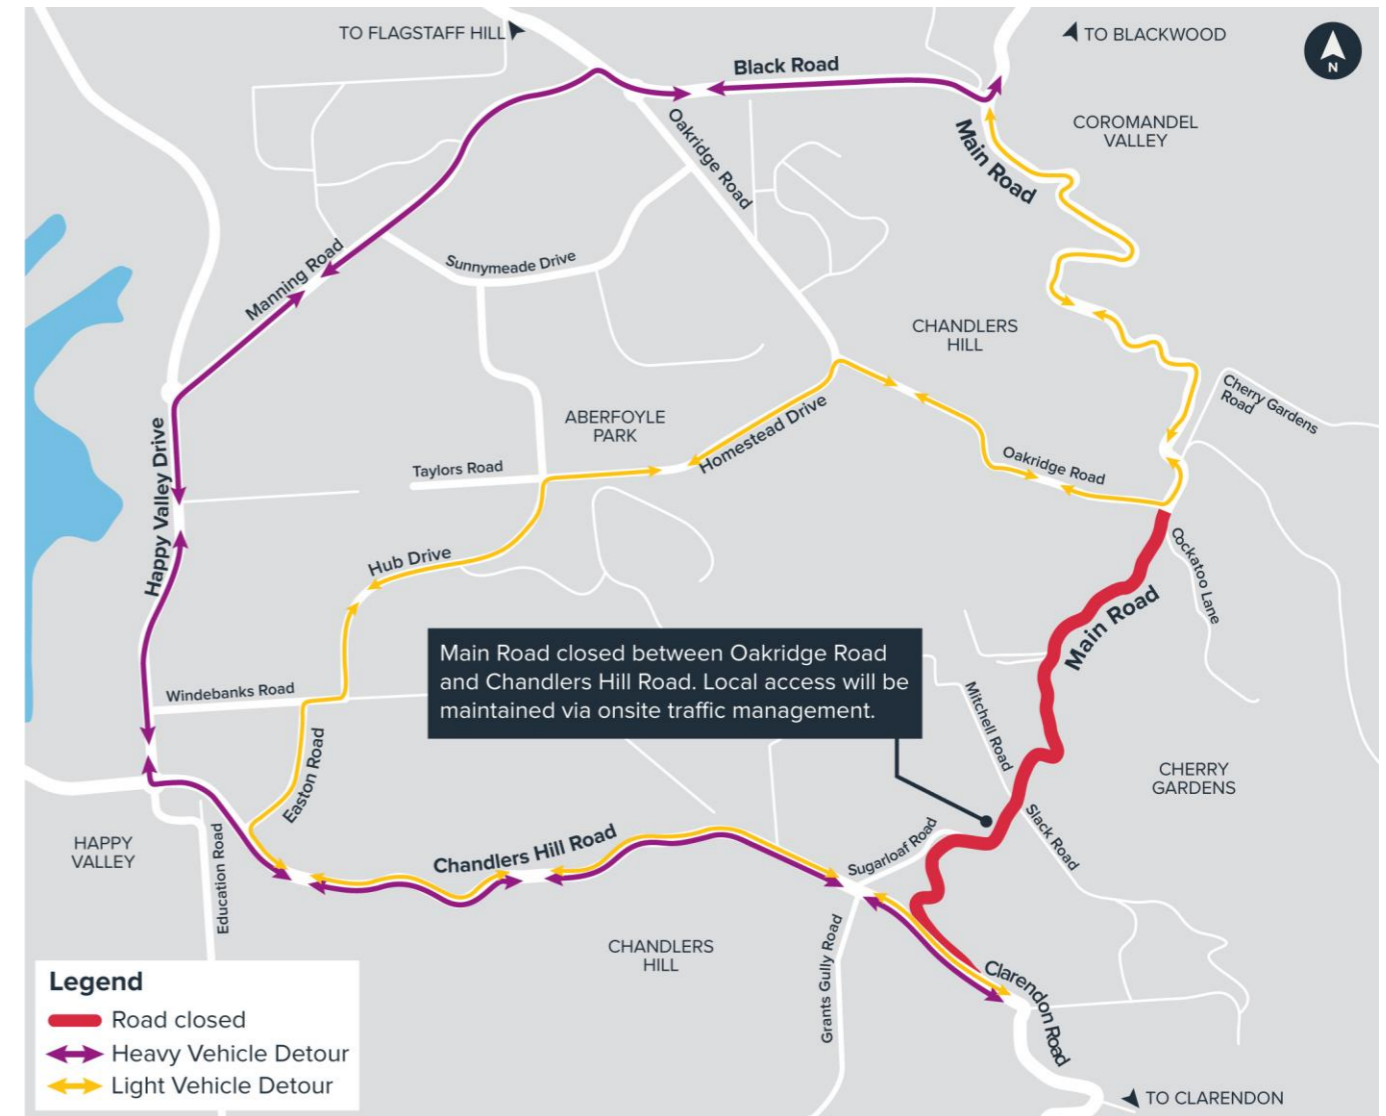

Where

Along Main Road between Black Road and Chandlers Hill Road

Night works detour

During night works, Main Road, between Oakridge Road and Chandler Hill Road, will be temporarily closed. Detours will be in place. There will be no night works on Saturdays and Sundays.

Local access for residents will be maintained by onsite traffic controllers. All other vehicles are required to follow the detours. Please note that Main Road will reopen outside work hours, with speed restrictions in place throughout the area for safety reasons.

Some properties in close proximity to the works will have some restricted access. The project team will contact affected property owners, residents and businesses directly in advance.

Road widening and drainage installation activities currently underway
