

# Grange Road, Holbrooks Road and East Avenue Intersection Upgrade

## Pedestrian Actuated Crossing (PAC) – works notice

### We're making it easier for pedestrians to cross busy main roads

Works on the new PAC on Grange Road are nearing completion. The new PAC will make crossing Grange Road safer and more convenient, improving community access to local shops, schools, particularly for school children accessing Allenby Gardens Primary School and bus services.

### What's happening

To minimise disruption to all road users, final traffic light signalling, asphaltting and line marking works will be undertaken at night between 7pm to 6am, weather permitting. Intermittent day works will also continue during this period.

Day works will continue to complete the kerb, footpath reinstatement and signage works. These works will be undertaken Monday to Friday, between 7am to 5pm, weather permitting.

### How this affects you

Grange Road will remain open at all times. To keep everyone safe, we will have speed and lane restrictions in place throughout the work zone as needed. Please observe onsite signage and direction of traffic controllers.

#### When

##### Night works

Tuesday 8 October 2024 to mid October 2024, weather permitting.

#### Hours of operation

##### Night works

Sunday to Friday

7pm to 6am

No works will be undertaken on Friday or Saturday nights.

#### Where

Grange Road between Hallett Boulevard and Coombe Road

Outside of working hours speed restrictions will remain in place.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct you to alternative access and/or detours.

The existing pedestrian refuge between Hallett Boulevard and Coombe Road will remain open outside working hours. Please cross with care.

We would like to sincerely thank the local community for your patience while these important works are undertaken.
