

The Grove Way and Green Valley Drive, Salisbury Heights

Investigation Works Notice

We're delivering an election commitment to improve safety and access in the northern suburbs

This program involves planning, designing and constructing upgrades to improve access to and from local roads and improve access for vehicles to travel north from Salisbury Heights.

What's happening

Site investigation works, including service locating, will be undertaken at the junction of The Grove Way and Green Valley Drive in Salisbury Heights. These investigations will help us better understand the existing road conditions.

How this affects you

To do this work safely, speed and lane restrictions will be in place during work hours. Please be cautious around workers, follow the signage and traffic management directions while works are in progress.

Access to properties will be maintained throughout the works, and we will ensure every effort is made to minimise impacts.

Bus services in the area will be maintained, however, please check the latest updates on scheduled services at adelaidemetro.com.au.

During the works, there might be some noisy disruptions from time to time, but we'll do our best to keep the noise to a minimum.

When

Tuesday, 15 October 2024 to late October 2024, weather permitting

Hours of work

Monday to Friday between the hours of 7pm and 7am

Where

Junction of The Grove Way and Green Valley Drive, Salisbury Heights
