

# The Grove Way / Canterbury Drive and The Grove Way / Green Valley Drive Junction

## Night works notice

**We are improving road safety and accessibility in the northern suburbs.**

This program involves planning, designing and constructing upgrades to improve access to and from local roads and improve access for vehicles to travel north from Salisbury Heights.

### What's happening

Works on the junctions of The Grove Way and Canterbury Drive and The Grove Way and Green Valley Drive are continuing and progressing well.

To facilitate the next stages of works, including asphaltting, line marking, and finishing works at both junctions, night works are required to minimise impacts to road users.

Night works will be undertaken intermittently from Sunday, 2 November 2025 until mid-December 2025, weather permitting.

### How this affects you

To keep everyone safe speed and lane restrictions will be in place on The Grove Way across work sites. Please drive with care, follow the directions of traffic controllers, and observe signage when travelling through the area.

Access to properties will be maintained. Advance notice will be provided if there is a need to temporarily restrict driveway access.

Pedestrians and cyclists, please be cautious when passing through work zones. Some areas might have limited access for safety, with signage in place to guide you to alternative routes

Bus stops in the area might be affected for a short time. Please pay attention to the signs at the bus stops and check the latest updates at [adelaidemetro.com.au](http://adelaidemetro.com.au) for more information.

During the works, there may be some noise and dust from time to time, but we'll do our best to keep the disruption to a minimum.

Thank you for your patience while these important works are undertaken.
