

Portrush Road and Magill Road Intersection

Night Works Notification

Minor works associated with line marking and stormwater infrastructure are required through and around the **Portrush Road and Magill Road Intersection**.

In order to minimise the impact to road users and to ensure the works can be completed safely and efficiently, these works will be undertaken on **Tuesday, 14 June 2022, between the hours of 7pm and 6am, weather permitting**.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses, as much as practically possible.

The intersection will remain open to traffic at all times. Speed and lane restrictions will be in place in the vicinity of the works. Please take extra care when workers are on site and observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Every effort will be made to minimise impacts to surrounding properties and road users, as much as practically possible.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours. Public transport services will remain operational and will not be affected by these works.

The Department appreciates your cooperation whilst these important works are undertaken.

Further information
