

# Adelaide Hills Productivity and Road Safety Package

## Main Road, Cherry Gardens

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region. The road improvements will support economic growth, improve road safety and increase fire resilience.

The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

## Project update

Major works are progressing along Main Road, between Black Road, Coromandel Valley and Chandlers Hill Road, Cherry Gardens.

Day works will continue during the day as well as unavoidable night works for some activities to ensure traffic impacts are managed efficiently when undertaking pavement rehabilitation and asphaltting activities.

We appreciate the local community and drivers' patience while this important work is undertaken.

Recently, the majority of work has been undertaken during the day. The next stage of night works will shortly begin. Day works will also continue.

## What's happening

We previously wrote to you to advise road widening and drainage installation activities are currently underway and safety barrier installation and asphaltting works will start soon.

Traffic arrangements and working hours will change throughout the project to suit construction activities and ensure the safety of workers and the community.

## How this affects you

**Works will continue to be undertaken both during the day and at night.** Changed traffic conditions will be in place throughout the work area. We ask that you take care when travelling through the work zone.

### Day works detour

**During day works,** Main Road between Black Road and Cherry Gardens Road will be temporarily closed, with detours in place.

### When

Ongoing until late August 2024

### Hours of operation

#### Day works ongoing

Monday to Friday  
7am to 5pm

#### Night works

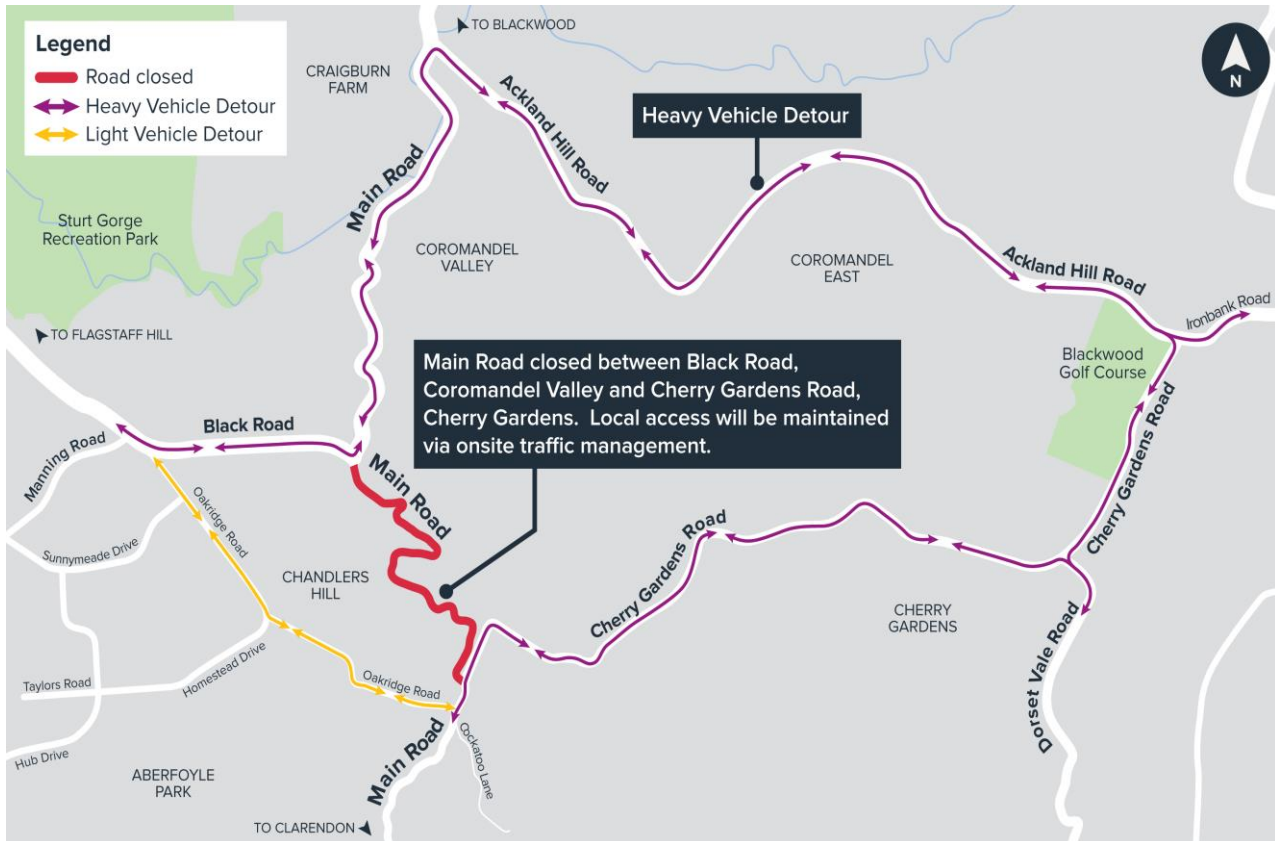

From Monday 24 June 2024 to Friday 26 July 2024 weather permitting

No works will be undertaken Saturday or Sunday nights.

7pm to 6am, weather permitting.

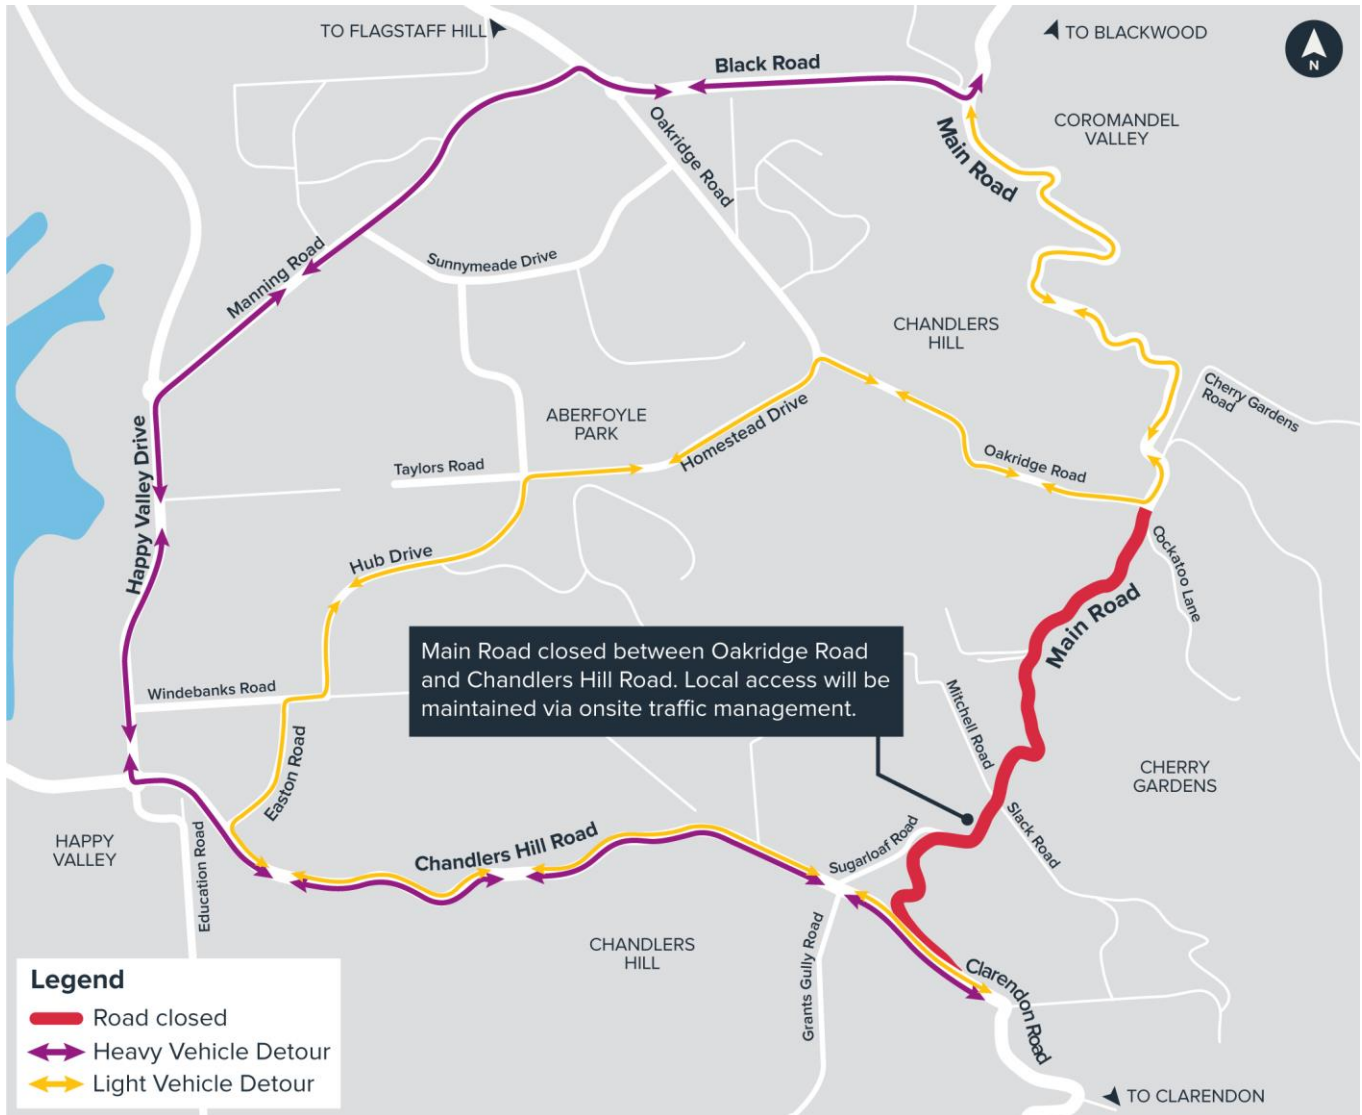

### Where

Along Main Road between Black Road and Chandlers Hill Road

## Night works detour

During night works, Main Road, between Oakridge Road and Chandler Hill Road, will be temporarily closed. Detours will be in place. There will be no night works on Saturdays and Sundays.

**Local access for residents** will be maintained by onsite traffic controllers. All other vehicles are required to follow the detours. Please note that Main Road will reopen outside work hours, with speed restrictions in place throughout the area for safety reasons.

Some properties in close proximity to the works will have some restricted access. The project team will contact affected property owners, residents and businesses directly in advance.
