

Southern Expressway, Bedford Park

Work notification

We will be undertaking repair works to a barrier on the Southern Expressway northbound exit ramp at Bedford Park.

How this affects you:

One lane of the northbound exit ramp will be closed with temporary speed restrictions in place. Please refer to the map overleaf for details.

Works will occur between 7am and 6pm however the lane closure will remain in place outside of working hours to keep everyone safe.

Night work will occur between 8pm and 5am on Sunday 7 July to Monday 8 July 2024, and 8pm and 5am on Sunday 21 July to Monday 22 July 2024, weather permitting.

Observe speed limits, detour signage, and traffic controllers when travelling through the area.

All remaining work will be carried out during the day.
