

Port Wakefield Overpass and Highway Duplication

Port Wakefield Overpass Lighting Installation

We are reducing traffic congestion and improving road safety on the Augusta Highway.

The Australian and South Australian Governments have committed \$124.5 million (80:20) to the Port Wakefield Overpass and Highway Duplication Project.

What's happening

New lighting has recently been installed under the Port Wakefield Overpass. Following completion of major works, some minor finishing works are now required.

How this affects you

The Port Wakefield Highway, Augusta Highway, and Copper Coast Highway will remain open at all times.

To do this work safely, we will have speed and lane restrictions in place throughout work areas including on the Port Wakefield/Augusta Highway.

Please plan your trips, be cautious around workers, and follow the speed limits and signage.

Outside of work hours, speed and lane restrictions will be removed.

Thank you for your understanding while these important works are undertaken.

When

Ongoing until mid-December 2024

Hours of work

Monday to Friday between 7am and 7pm

Where

The Port Wakefield Overpass, Port Wakefield
