

Shepherds Hill Road, Brighton Parade and Waite Street Intersection

Works notice – October 2026

We've upgraded the Shepherds Hill Road, Brighton Parade and Waite Street intersection to make it safer and easier to access

What's happening

We will be carrying out finishing works at the intersection of Shepherds Hill Road, Brighton Parade and Waite Street, for approximately 8 weeks.

These activities will include reinstating the footpath adjacent Shepherd Court Shopping Centre, lighting and asphalt works.

How this affects you

The majority of our work will be carried out Monday to Friday, between 7am and 5pm, however some works may be required outside of standard construction hours. Advance notice will be provided.

Access to the Shepherd Court Shopping Centre will be maintained at all times via either Shepherds Hill Road or Waite Street, please follow directional signage.

To keep everyone safe speed and lane restrictions will be in place around our work areas. Please follow the onsite signage for detour and pedestrian access while we are carrying out works.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Access for residents will be maintained throughout these works. Advance notice will be provided if there is a need to temporarily restrict driveway access.

We would like to thank the community for your patience and understanding while these works are undertaken.

When

From Monday 26 October 2026 for approximately 8 weeks, weather permitting

Hours of work

Monday to Friday, 7am to 5pm

Where

At the intersection of Shepherds Hill Road, Brighton Parade and Waite Street.
