# **NOTICE OF CHANGES TO TRAFFIC CONDITIONS**

## **Victoria Road and Wills Street intersection, Peterhead**

Temporary changes in traffic conditions are in place on Victoria Road at the intersection with Wills Street, Peterhead, as part of Stages 2 & 3 of the Port River Expressway project. The changes will be in place until Saturday 14 April 2007.

The traffic restrictions have enabled work to commence on the installation of a left turn slip lane on Wills Street at the south-east corner of the intersection with Victoria Road. Works are also being undertaken on all four corners of the intersection to install kerbing and complete pedestrian walkways.

The south-bound carriageway of Victoria Road is reduced to one lane both north and south of the intersection with Wills Street during the works. Two-way traffic is maintained on Wills Street.

Motorists are advised to expect delays with a speed limit of 25kph in place between 7.00am to 5.00pm. A speed limit of 40kph applies at all other times.

For further information on construction activities and changes to traffic conditions, please contact Abigroup by phoning 1300 130 653.

Alternatively, email [portriver@abigroup.com.au](mailto:portriver@abigroup.com.au) or log onto the project website [www.transport.sa.gov.au/transport\\_network/projects/port\\_xpress](http://www.transport.sa.gov.au/transport_network/projects/port_xpress).

Thank you for your cooperation and patience during construction.
