

Gawler Rail Electrification Project

Works Notification

As part of the Gawler Rail Electrification Project, works will be undertaken on Torrens Road at Ovingham, including the rail crossing.

Location: In the vicinity of the Torrens Road rail crossing and Ovingham train station, refer to map.

Commencing: Monday, 2 March, until Friday, 6 March, weather permitting.

Workhours: Day works between 9am and 4pm.

Activities: Under-track boring for the new services route.

Traffic Management: Traffic on Torrens Road will be reduced to a single lane in each direction under traffic management. Signage will be in place to advise motorists of changed conditions. Traffic controllers and signage will be in place to guide pedestrians through the rail crossing during these times.

There will be no impact to train services as part of these works

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 080 834 or email your contact details to dpti.gawlerelectrification@sa.gov.au.

For more information about rail maintenance works, to access the rail maintenance activity calendar and to register to receive night works notifications in digital form, please visit www.dpti.sa.gov.au/worksnotification. Follow www.facebook.com/DPTISA for project updates, or contact the Project Team on 1300 080 834.

Thank you for your patience while these important works are undertaken.
