

FIRE SAFETY SCORE CARD

Do all accommodation rooms have evacuation plans that are clearly visible?

Do all accommodation rooms have working smoke alarms in them?

Has all the firefighting equipment been maintained and tested?

Have you removed all flammable items from under the egress stair?

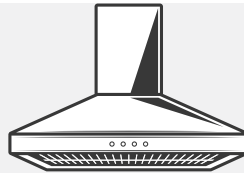

Are there any items blocking anyone from getting out of the building?

Can you open exit doors easily without a key?

Is there sufficient lighting to guide people out of the building in an emergency?

Has your kitchen exhaust filter and flue been cleaned recently?

Do you have a Bushfire Action Plan and have you recently rehearsed it?

Do you have an Evacuation Plan and are all your staff familiar with it?

'Did you tick all the boxes?' If not, we are here to help. Please contact the Building Fire Safety Committee on AGD.FireSafetyCommittee@sa.gov.au for support and advice on how to meet your fire safety obligations.
