For your information, correspondence relating to this proposal will be retained on the Commission's webpage for a period of time for interested parties.

If the Council wishes to consider a boundary change proposal in the future, the Council will be required to refer a Stage 1 Potential Proposal in accordance with the *Local Government Act 1999* and the Commission's Guidelines.

Please note that a copy of this letter has been provided to the District Council of Lower Eyre Peninsula for its information.
