

# Military Road Resurfacing Works

## Works update

Asphalt resurfacing works are required on Military Road, between Bower Road, Semaphore and Trimmer Parade, Grange to improve the road surface and safety for all users.

### What's happening:

Works will include pavement removal and new asphalt resurfacing on both sides of Military Road. New kerb and line marking will also be installed as part of the works.

### How this affects you:

To keep everyone safe while we undertake these works, speed and lane restrictions will be required. Please follow onsite traffic signage and follow the direction of traffic controllers while works are in progress.

Works will begin on the Northbound Carriageway at Trimmer Parade. Works will progress north to Bower Road, and then will move to the Southbound carriageway, and move progressively towards Trimmer Parade

We will directly contact residents and businesses located in the work area to advise of any parking and/or access restrictions because of works.

Some Adelaide Metro bus services and bus stops within the works area may be temporarily impacted while works are undertaken. Please observe bus stop signage and visit [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au). Pedestrians and cyclists might also need to use a different path during the works; however, signs will show you where to go.

During the works, there will be some noisy disruptions from time to time, but we'll do our best to keep the noise to a minimum. You might also notice some odours, which is normal during asphalt work.

For any traffic management queries during the night work hours, **please contact the Department's contractor, Downer on 1300 012 413.**

#### When

Sunday 16 June 2024 until late August 2024 weather permitting

#### Hours of operation

##### Day Works

Monday to Friday between 10am and 3pm
