

# Lyndoch Road, Gawler East Pedestrian Actuated Crossing

## Commencement of Works Notice

**We are making it safer and more convenient for pedestrians and cyclists to cross Lyndoch Road.**

The \$168 million Road Safety Program is jointly funded by the Australian (50%) and South Australian (50%) governments over three years.

## What's happening

We are commencing works to upgrade the existing Koala Crossing on Lyndoch Road, Gawler East. This project will improve pedestrian safety and access, particularly to Immanuel Lutheran School, see concept overleaf. The project will include:

- Upgrading the existing Koala Crossing with a new Pedestrian Actuated (push button) Crossing.
- Pavement resurfacing for the extent of the works area.
- Upgrades to existing street lighting.
- New line marking and road signage.

## How this affects you

**Lyndoch Road will remain open to traffic at all times during the works.**

To do this work safely, speed and lane restrictions will be in place during work hours. Please be cautious around workers, follow the signage and traffic management directions while works are in progress.

Outside of working hours, speed restrictions will remain in place for the duration of the project.

## OFFICIAL

Pedestrians and cyclists, please be cautious when passing through the area. Some areas might have restricted access for safety; however, traffic controllers will be on site to show you where to go. Where required, signage will be in place to direct pedestrians and cyclists to alternative access.

Access for public transport will be maintained, however, please check the latest updates on scheduled services at [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au)

There may be some noise from time to time, but we'll do our best to keep the disruption to a minimum.

Access to Immanuel Lutheran College will be maintained.

You will still be able to access homes and properties. If we need to limit or impact access, we will contact property owners know ahead of time. Outside of work hours speed restrictions will remain in place subject to onsite conditions until project completion.

While majority of these works will be undertaken during the day, there will be a requirement for some night works. We will provide advance notice to nearby residents prior to night works.
