# PORT RIVER EXPRESSWAY PROJECT

## Changes to traffic conditions on Nelson Street, Birkenhead

**When:** Saturday 24 November 2007 and, if necessary, Sunday 25 November 2007.

**What:** two drainage pits will be installed in the centre of Nelson Street.

- There will be **one-way traffic only** on the section of Nelson Street between the Birkenhead Bridge and the intersection of Semaphore Road, Victoria Road, Elder Road and Nelson Street.
- Motorists are urged **not to queue** across the intersection during these works.
- Use an **alternative route or expect delays** throughout these works as north and south-bound traffic will be controlled by traffic controllers.
- **Delays** should also be expected at the intersection of Semaphore Road, Victoria Road, Elder Road and Nelson Street.
- **Speed limitations** of 25 kph will be in place during construction hours of 7.00am to 5.00pm. 40 kph will apply at all other times.

Access to Primary Industry and Resources SA, Svitzer (tugs) and the Birkenhead Tavern will be maintained through Elder Road.

Advance warning signage will be in place to advise motorists of the changed traffic conditions and all detours will be clearly marked.

For further information on construction activities, please contact Abigroup by phoning 1300 130 653. Alternatively, email [portriver@abigroup.com.au](mailto:portriver@abigroup.com.au) or log onto the project website at [www.dtei.sa.gov.au/infrastructure](http://www.dtei.sa.gov.au/infrastructure)

Thank you for your cooperation and patience during these essential works.
