

# Flagstaff Road Upgrade

## Flagstaff Road night works and temporary road closures Tuesday, 13 April to Friday, 23 April 2021

To facilitate the construction of a permanent two-way dual carriageway as part of the Flagstaff Road Upgrade Project, SA Power Networks will be relocating overhead poles and wires and APA gas will be undertaking service location works over the coming weeks.

### Tuesday, 13 April to Friday, 16 April 2021

APA will be undertaking gas line location works within the road corridor on Flagstaff Road from **7pm to 6am each night**.

**Flagstaff Road will remain open and will operate under a contra-flow arrangement**, with speed and lane restrictions in place. Please observe signage, the direction of traffic controllers, and take care when travelling through the area.

**What you can expect:** some noise and disturbance from construction activity and temporary lighting may be experienced. Every effort will be made to minimise disruption to local residents and businesses during these works, as much as practically possible. There will be no change to Adelaide Metro bus services.

### Monday, 19 April to Friday, 23 April 2021

SA Power Networks will be installing new stobie poles and overhead wiring along Flagstaff Road.

**Traffic management and detours:** to ensure public safety, **Flagstaff Road will be closed between Main South Road, Darlington and Bonneyview Road, Flagstaff Hill from 8pm to 5am each night**. Traffic will be detoured via Main South Road/Black Road. Please refer to traffic detour map included.

Flagstaff Road will remain open between Bonneyview Road and Black Road.

Access to Hyland Avenue for local traffic will be via the southbound lane of Flagstaff Road only, from Main South Road.

Access to Elly Court for local traffic will be via the northbound lane of Flagstaff Road only, from Black Road. Exit from Elly Court for local traffic will be via the southbound lane of Flagstaff Road, to Black Road.

BUILDING  
WHAT MATTERS

---

Traffic management and signage will be in place to alert road users to changed traffic conditions. Road users are asked to plan ahead and to observe signage, the direction of traffic controllers, and take care when travelling through the area.

**What you can expect:** works will include the use of lighting towers, heavy vehicles, excavators and cranes. Some noise and disturbance from construction activity and temporary lighting may be experienced. Every effort will be made to minimise disruption to local residents and businesses during these works as much as is practically possible.

**Adelaide Metro bus services:** the G20, G21 and 320 Adelaide Metro bus services **will be detoured as follows:**

- **Southbound services:** from Main South Road, the buses will continue past Flagstaff Road on Main South Road to Black Road (just past the Victoria Hotel), travel left on Black Road to the roundabout at Flagstaff Road, through the roundabout then continue on the normal route.
- **Northbound services:** from Black Road buses will continue to Main South Road, turn right on Main South Road, travel down Main South Road to Marion Road and Flagstaff Road intersection and then continue on the normal route.

Bus stops 30, 31, 32, 33, 34 and 35 will be closed and passengers will be redirected to Bus Stop 29 Main South Road or Bus Stop 36 Black Road.

For information about public transport services call Adelaide Metro on 1300 311 108 or visit [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au)

### More information

To find out more about the Flagstaff Road Upgrade Project and register for future email updates please
