

Northern Suburbs Local Road Upgrades

Site investigation works

Site investigation works will shortly commence for the South Australian Government's \$5 million election commitment to plan, design and construct upgrades to The Grove Way junctions with Canterbury Drive, Green Valley Drive, and the junction of Main North Road and Target Hill Road, Salisbury Heights.

Thank you to everyone who took the time to provide feedback late last year.

Investigation works will be starting soon including identification of underground services at the junction of Main North Road and Target Hill Road and The Grove Way and Canterbury Road, Salisbury Heights.

Investigation works will be undertaken **from Monday, 8 May until Friday, 19 May 2023, between 9am and 4pm** weather permitting. No works will be undertaken on Saturday and Sunday.

To safely undertake these works some speed and lane restrictions will be in place during the works. Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained and every effort will be made to minimise impacts to surrounding properties and roads.

If you have any questions or would like to speak to a member of the project team, please contact:

- phone 1300 794 880
- email DIT.engagement@sa.gov.au

Kind regards
