

Tram Grade Separation Projects

Marion Road and Cross Road Level Crossing Removals

Weekend investigation activities – Cross Road

The Australian and South Australian governments have jointly (50:50) funded \$400 million to remove the level crossings where the Glenelg tram line crosses Marion Road and Cross Road, Plympton. These works form part of the Tram Grade Separation Projects.

When

7pm Friday 19 July
continuously until
7am Sunday 21 July 2024
weather permitting

What's happening:

Activities are continuing as part of the early works program with ground investigation works required within the rail corridor where the tram line crosses Cross Road.

To safely undertake these works and minimise impacts as much as possible these investigation works are being undertaken outside of peak travel times. The investigations will help inform the projects detailed design.

Where

Cross Road, between
Marion Road and Anzac
Highway

How this affects you:

There will be changes to traffic conditions to keep everyone safe.

From 7pm Friday 19 July until 7am Sunday 21 July 2024 Cross Road, between Marion Road and Anzac Highway, will be reduced to a single lane of traffic in each direction with traffic restrictions in place.

Please follow traffic management directions and onsite signage.

Local access to properties along the northern side of Cross Road will be maintained with onsite traffic controllers available to assist. The project team will contact directly affected properties in advance. Access to the properties on the southern side of Cross Road will be maintained as per usual.

Access to Maynard Road from Cross Road will be maintained via a detour on Mornington Avenue and Elizabeth Avenue. Access to Mornington Avenue will be maintained at all times. Please view detour map.

Pedestrians and cyclists should take care when travelling through the area, and for safety reasons there will be a detour in place. Signage will be in place to show you where to go. Please view detour map.

Some noise disturbances can be expected while works are completed, however, the work will be managed to minimise disturbance to nearby residents as much as practically possible.

There will be no impacts to tram stops or services.
