

# Main North Road and Target Hill Road, Salisbury Heights

## Investigation Works Notice

**We're delivering an election commitment to improve safety and access in the northern suburbs.**

This program involves planning, designing and constructing upgrades to improve access to and from local roads and improve access for vehicles to travel north from Salisbury Heights.

### What's happening

Site investigation works, including service locating, will be undertaken at the junction of Main North Road and Target Hill Road in Salisbury Heights. These investigations will help us better understand the existing road condition.

### How this affects you

To do this work safely, speed and lane restrictions will be in place during work hours. Please be cautious around workers, follow the signage and traffic management directions while works are in progress.

Investigations on **Target Hill Road** will be undertaken during the day, while investigations on **Main North Road** will be undertaken at night.

Access to properties will be maintained throughout the works, and we will ensure every effort is made to minimise impacts. Bus services in the area will be maintained, however, please check the latest updates on scheduled services at [adelaidemetro.com.au](http://adelaidemetro.com.au)

During the works, there might be some noisy disruptions from time to time, but we'll do our best to keep the noise to a minimum.
