

# Wallaroo Roads Rehabilitation

## Works notice

**We are improving safety, access and road amenity for road users within the Wallaroo Township**

The project is jointly funded by the State Government and Copper Coast Council.

### What's happening

We are undertaking pavement rehabilitation and resurfacing work on a number of roads within the township of Wallaroo to improve safety and access.

**Work will commence from Monday 8 September 2025 and is expected to be complete in April 2026, weather permitting.**

For more information on specific work areas, please see the work zone map overleaf.

### How this affects you

To keep everyone safe, there will be changes to traffic conditions. Please take care when travelling through the area and follow the directions of traffic controllers.

Speed and lane restrictions will be in place and will remain in place as required until all works are complete. Short term local detours will be required at times, onsite signage will guide you to alternative routes.

Pedestrians and cyclists might also need to use different paths during these works. Where required, signage will be in place to direct you to alternative routes.

Access to businesses will be maintained however some short-term parking restrictions may be required.

If there is a need for short-term access impacts, we will contact you directly in advance.

#### When

Monday 8 September 2025 to April 2026, weather permitting

#### Hours of work

Monday to Friday  
Between the hours of  
6am and 6pm

Some Saturday work maybe required.

#### Where

Irvine Street, Owen Terrace  
Victoria Street, Copper Coast  
Highway, Sharples Road and  
Bowman Road, Wallaroo.

Improving safety and access for road users

Enhancing transport efficiency and reliability

## OFFICIAL

Access to bus stops will be maintained throughout the works. Some bus stops may be temporarily relocated during works, please visit [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au) for the latest information.

Some noise disturbance can be expected, however works will be planned and managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Access for emergency service vehicles will be maintained at all times.

We thank you for your patience while we undertake these important works.
