

# The Grove Way / Canterbury Drive and The Grove Way / Green Valley Drive Junction

## Resurfacing works notice

**We are improving road safety and accessibility in the northern suburbs.**

This program involves planning, designing and constructing upgrades to improve access to and from local roads and improve access for vehicles to travel north from Salisbury Heights.

## What's happening

Major construction works on The Grove Way and Canterbury Drive and The Grove Way and Green Valley Drive junctions are almost complete, with both junctions expected to be open to traffic in late December 2025.

In addition to the junction upgrades, additional resurfacing works will be undertaken to improve the surface of The Grove Way from Main North Road. Please see works zone map overleaf for more information.

## How this affects you

**To minimise disruption to road users, resurfacing works and line marking will be undertaken at night from Sunday 30 November 2025 until late-December 2025, weather permitting.**

Some intermittent day works will be undertaken as required.

Following completion of resurfacing works, final line marking and finishing works will be undertaken in early 2026.

Speed and lane restrictions, including temporary local road closures will be in place along The Grove Way as required. Local traffic access will be maintained at all times. Please drive with care, follow traffic management directions, and observe signage when travelling through the area.

### When

Sunday 30 November 2025 to late December 2025, weather permitting.

### Hours of Work

#### Day works

Monday to Friday  
between the hours of  
7am and 5pm, as required.

#### Night works

Sunday to Friday  
between the hours of  
7pm and 6am

### Where

The Grove Way between Main North Road and Bridge Road, Salisbury Heights

Improving access to local roads in the northern suburbs

Forms part of the Northern Adelaide Suburbs Road Upgrades package

## OFFICIAL

Access to properties will be maintained. Advance notice will be provided if there is a need to temporarily restrict driveway access.

Pedestrians and cyclists, please be cautious when passing through work zones. Some areas might have limited access for safety, with signage in place to guide you to alternative routes

Access to bus stops in the area will be maintained during the work. Advance notice will be provided if there is a need to temporarily close or relocate any bus stops. Please pay attention to the signs and check the latest updates at [adelaidemetro.com.au](https://www.adelaidemetro.com.au) for more information.

During the works, there may be some noise and dust from time to time, but we'll do our best to keep the disruption to a minimum.

Thank you for your patience while these important works are undertaken.
