

FAMIS – Raising unplanned breakdown maintenance work request - Education users

1. Log on to FAMIS.
2. Select the Work Request tab.

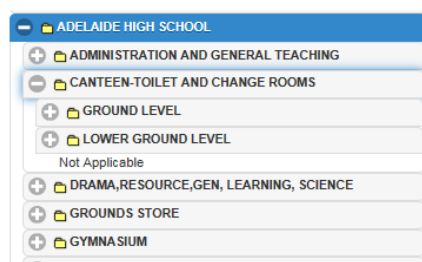

Click on the + sign under the Agency to reveal a list of sites.

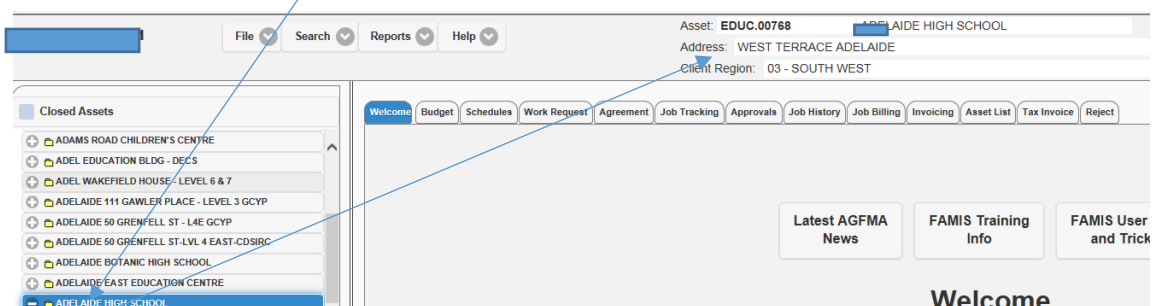

3. Select the appropriate site, level or room (the active site, building or room will be highlighted) - if there are multiple sites choose from the list:

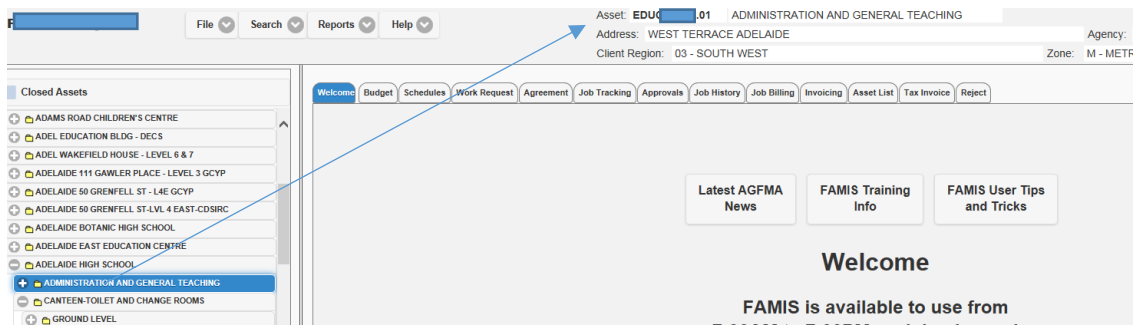

By clicking the + button you can see all buildings and rooms that have been set up for the site.

Select the site, building or room then hit the work request tab.

Selecting the building or room will change the details on the work request:

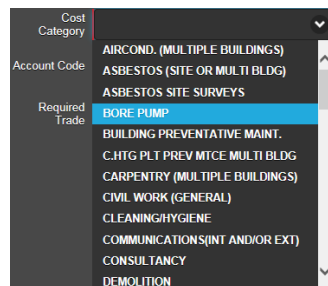

The work request now identifies the building. If available in the list, the work request can be raised against a particular room.

4. Complete **Work Description** (free text 150 characters).

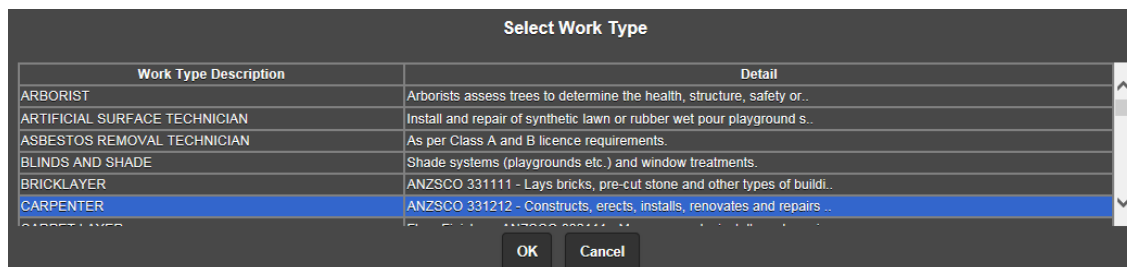

5. Select **Cost Category** from the drop down list.

6. Select **Account Code** from the drop down list.

7. Select **Required Trade** from the drop down list for the main type of trade required. Click on  for details of trades and work types.

8. Select **Priority** from drop down list. Priority 1 & 2 cannot be raised in FAMIS and must be raised via the Hotline. Higher rates apply to Priority 1 & 2 and should only be used in exceptional circumstances. **Call out fees** apply for Priority 1-4 (not 5).
