

This practice direction is issued by the State Planning Commission under section 42 of the *Planning, Development and Infrastructure Act 2016*.

Introduction

Section 42 of the *Planning, Development and Infrastructure Act 2016* (the Act) allows the State Planning Commission (the Commission) to issue practice directions for the purposes of the Act. Generally, practice directions specify procedural requirements or steps in connection with a matter arising under the Act. In certain cases, the Act requires a particular matter to be addressed or dealt with by a practice direction.

This practice direction is being made by the Commission to support the operation of section 107(9) of the Act with respect to the notification of performance assessed development applications.
