

# Cross Road and Fullarton Road Intersection Upgrade

## Project update and night works

The Australian and South Australian governments have jointly (50:50) committed \$61 million to upgrade the Cross Road and Fullarton Road intersection. Once complete, the upgrade will improve travel times and road safety, increase intersection capacity and enhance network reliability.

### Updated design

In August 2021, the Department released a project update which provided a summary of the feedback received during the December 2020 to June 2021 consultation period and outlined the changes being made to the concept design in response to community feedback. The detailed design is available for viewing on the project website at [http://www.dit.sa.gov.au/cross\\_fullarton](http://www.dit.sa.gov.au/cross_fullarton).

### Site investigation works

Additional service identification investigation activities are required to further assist with project planning through and around the intersection. In order to minimise the impact to road users and to ensure the works can be completed safely and efficiently, these investigation activities will be undertaken from **Monday, 1 November to Friday, 5 November 2021, between 7pm and 6am, weather permitting.**

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area. Access to properties will be maintained throughout these works.

No changes to public transport services are planned during these works.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours.

The Department appreciates your cooperation whilst these important works are undertaken.

To find out more about the project or register for future updates, visit [http://www.dit.sa.gov.au/cross\\_fullarton](http://www.dit.sa.gov.au/cross_fullarton). If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email [dit.communityrelations@sa.gov.au](mailto:dit.communityrelations@sa.gov.au)

Kind Regards,  
Cross Road and Fullarton Road Intersection Upgrade Project Team
