

State Planning Commission Work Plan 2022-23

Completed Projects (as of 23 January 2023)

Project	Additional Information (Not Confidential)	Strategic Plan 2022-23 Reference
Engage with and support the Expert Panel with data, evidence, and information	<p>In August 2022, the Minister for Planning commissioned an independent panel of planning experts to conduct a review of reforms to the planning system implementation, including:</p> <ul style="list-style-type: none">• The <i>Planning, Development and Infrastructure Act 2016</i>.• The Planning and Design Code and related instruments, as it relates to infill policy, trees, character, heritage and car parking.• The ePlanning system, to ensure it is delivering an efficient and user-friendly process and platform.• The PlanSA website, to check usability and ease of community access to information. <p>The Expert Panel recently completed its nine-week formal community engagement period. Submissions to the Panel closed in December 2022.</p> <p>In the coming months, the Expert Panel will provide recommendations to enhance the State's planning system to the Minister for Planning. The recommendations will then be considered by the State Government later this year.</p> <p>Further information about the Expert Panel and the planning system review is available via the following link: https://plan.sa.gov.au/planning_review.</p>	2. Enhancing our Planning System
