

Russell Street, Main Road and Sheoak Road junctions Upgrade

Night works

What's happening:

As part of the project, sewer connection works are required on Russell Street, near the corner of Sheoak and Russell Streets, Belair.

How this affects you:

To undertake these works safely, works will be undertaken at night from 7pm Sunday 14 January until 6am Friday 26 January 2024.

No works will be undertaken Friday and Saturday nights.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

These works will not impact the Tour Down Under.

For further information:
