

Adelaide Hills Productivity and Road Safety Package

Investigation works – Lobethal Road/Mount Torrens Road

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region. The road improvements will support economic growth, improve road safety, and increase fire resilience.

The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

What's happening:

Further investigation works are required on Lobethal Road/Mount Torrens Road between Ashton and Mount Torrens. These works will be undertaken in two stages:

- **Stage one:** Lobethal Road between Monomeith Road/Stony Rise Road, Ashton and Mill Road, Lobethal.
- **Stage two:** Mount Torrens Road between Frick Street, Lobethal and Onkaparinga Valley Road, Mount Torrens.

Upon completion of the investigation works for stage one, works will commence on stage two. These investigations will support planning for potential upgrades along this road.

How this affects you:

To do this work safely, there will be speed and lane restrictions on Lobethal Road/Mount Torrens Road during work hours. Please plan your trips, be cautious around workers, and follow the speed limits and signage. Outside of work hours, Lobethal Road and Mount Torrens Road will be fully open with no speed restriction in place.

Access to businesses and surrounding properties will be maintained throughout these works, and we will ensure every effort is made to minimise impacts to surrounding properties as practically possible. Minor noise disturbances can be expected while works are ongoing, but we will minimise any disturbance to residents as much as practically possible.

Visit the project website to register for future project and work updates.
