

# NOTICE OF CHANGES TO TRAFFIC CONDITIONS

## Francis Street, Port Adelaide

A temporary closure of Francis Street from Evans Street to the intersection of the new Eastern Bypass and Grand Trunkway Extension, Port Adelaide, will be in place from Monday 25 September 2006 to Monday 16 October 2006 as part of Stages 2 & 3 of the Port River Expressway project.

Please see the map below for further detail

The closure will allow Francis Street to be reconstructed and linked into Stage 1 of the Port River Expressway. A new intersection will also be constructed at Francis Street, the Eastern Bypass and the Grand Trunkway Extension.

Advance warning signs are currently in place on Stage 1 of the Port River Expressway at South Road and Hanson Road to advise motorists of the temporary closure.

A detour will be in place on Stage 1 of the Port River Expressway at Eastern Parade, directing motorists along Eastern Parade, Ocean Steamers Road and St Vincent Street to access Port Adelaide.

Changed speed limits will apply throughout the duration of the works with a 40 kph exit speed in place from the Port River Expressway. Further changed traffic conditions will apply throughout the work, with clear signage advising motorists of these changes. Further temporary construction speed zones may apply throughout the works. Motorists will be informed in advance of these changes.

Access to Symons & Clark and Incitec Pivot will be provided via the Grand Trunkway Extension. Local access for businesses located on Francis Street from Evans Street to Eastern Parade will be maintained.

Normal construction hours are Monday to Friday between 7:00 am to 6:00 pm and Saturday between 7:00 am to 3.30 pm. Affected business owners will be notified in advance of any works to be undertaken outside these hours.

For further information on construction activities, please contact Abigroup by phoning 1300 130 653. Alternatively, email [portriver@abigroup.com.au](mailto:portriver@abigroup.com.au) or log onto the project website [www.transport.sa.gov.au/transport\\_network/projects/port\\_xpress](http://www.transport.sa.gov.au/transport_network/projects/port_xpress).

Thank you for your cooperation and patience during these essential works.
