

# Adelaide Hills Productivity and Road Safety Package

## Works Notice – Lobethal Road

**We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region**

The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

### What's happening

We are undertaking underground service location works on Lobethal Road, between Ashton and Lobethal. These works will help identify suitable locations for the installation of new safety barriers.

### How this affects you

To keep everyone safe while we undertake these works there will be changes to existing traffic conditions. From Monday 20 April 2026 speed and lane restrictions will be in place during work hours along Lobethal Road, where works are being undertaken.

Outside of work hours all lane restrictions will be lifted, and posted speeds reinstated. Please plan your trips, drive with care through work areas and follow the direction of on site traffic controllers.

Access to properties will be maintained at all times. Should temporary property access restrictions be required, impacted residents will be contacted directly in advance.

Thank you for your patience and understanding while we complete these works.

#### When

Monday, 20 April to Friday, early May 2026

Weather permitting

#### Hours of work

Monday to Friday

9am to 4pm

#### Where

Lobethal Road, between Ashton and Lobethal.
