

Nottage Terrace and North East Road Intersection Upgrade

Project Update and Night Works

The Department for Infrastructure and Transport (the Department) is upgrading the intersection of Nottage Terrace and North East Road to improve travel times, capacity and road safety for all users. The \$6 million project is jointly funded (50:50) by the Australian and South Australian governments.

Community engagement will form an important part of the planning, design and delivery stages of the project. In the coming months we will be organising opportunities to provide an update on the project and seek your feedback. Please register your interest to receive project updates by visiting www.dit.sa.gov.au/northeastnottage

Upcoming site investigation activities at night

Site investigations will shortly be undertaken to better understand the existing conditions. The information collected as part of these works will help inform the project's design.

In order to minimise the impact to road users and to ensure the works can be completed safely and efficiently, these site investigations will be undertaken at night from **Monday, 20 December 2021 to Friday, 24 December 2021, weather permitting. Hours of work are between 7pm and 6am.**

Speed and lane restrictions will be in place in the vicinity of the works, however the intersection will remain open to traffic at all times. There is no change to public transport services. Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Some noise disturbances can be expected at times while these works are completed, however, the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Access to properties will be maintained throughout the works, with advance notice provided if there is a need to temporarily restrict driveway access.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists.

The Department appreciates your co-operation and patience while these important works are undertaken.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email dit.CommunityRelations@sa.gov.au.

Kind regards,

Nottage Terrace and North East Road Intersection Upgrade Project Team
