

Marion Road and Sir Donald Bradman Drive Intersection Upgrade

Temporary Marion Road closure

We're upgrading the intersection at Marion Road and Sir Donald Bradman Drive to make your journey safer and more reliable.

The Australian and South Australian governments have committed \$85 million (50:50) towards an upgrade of the intersection of Marion Road and Sir Donald Bradman Drive.

What's happening

To keep everyone safe, Marion Road will be temporarily closed while we carry out final asphaltting works at the Sir Donald Bradman Drive and Marion Road intersection.

The following traffic arrangements will be in place:

- **Monday 13 October 2025 10:30pm to 5:00am**
Marion Road closed between Neill Road and Sir Donald Bradman Drive
- **Tuesday 14 October 2025 10:30pm to 5:00am**
Marion Road closed between Jenkins Street and Sir Donald Bradman Drive

Detour maps for these closures have been provided over the page. Variable Message Signs (VMS) will be in place to provide advance notice to road users.

There will be no impact to bus services during these works.

When

Monday 13 October 2025 and
Tuesday 14 October 2025

Road closure hours

10:30pm to 5:00am

Where

Marion Road between Neill Road and Sir Donald Bradman Drive

Marion Road between Jenkins Street and Sir Donald Bradman Drive

How this affects you

Temporary access changes

To keep everyone safe, speed and lane restrictions will be in place in and around the intersection as required. Please follow the onsite signage for detour and pedestrian access around the work area.

There will be some short-term impacts to local driveway access near our work areas. We will contact affected properties ahead of works commencing.

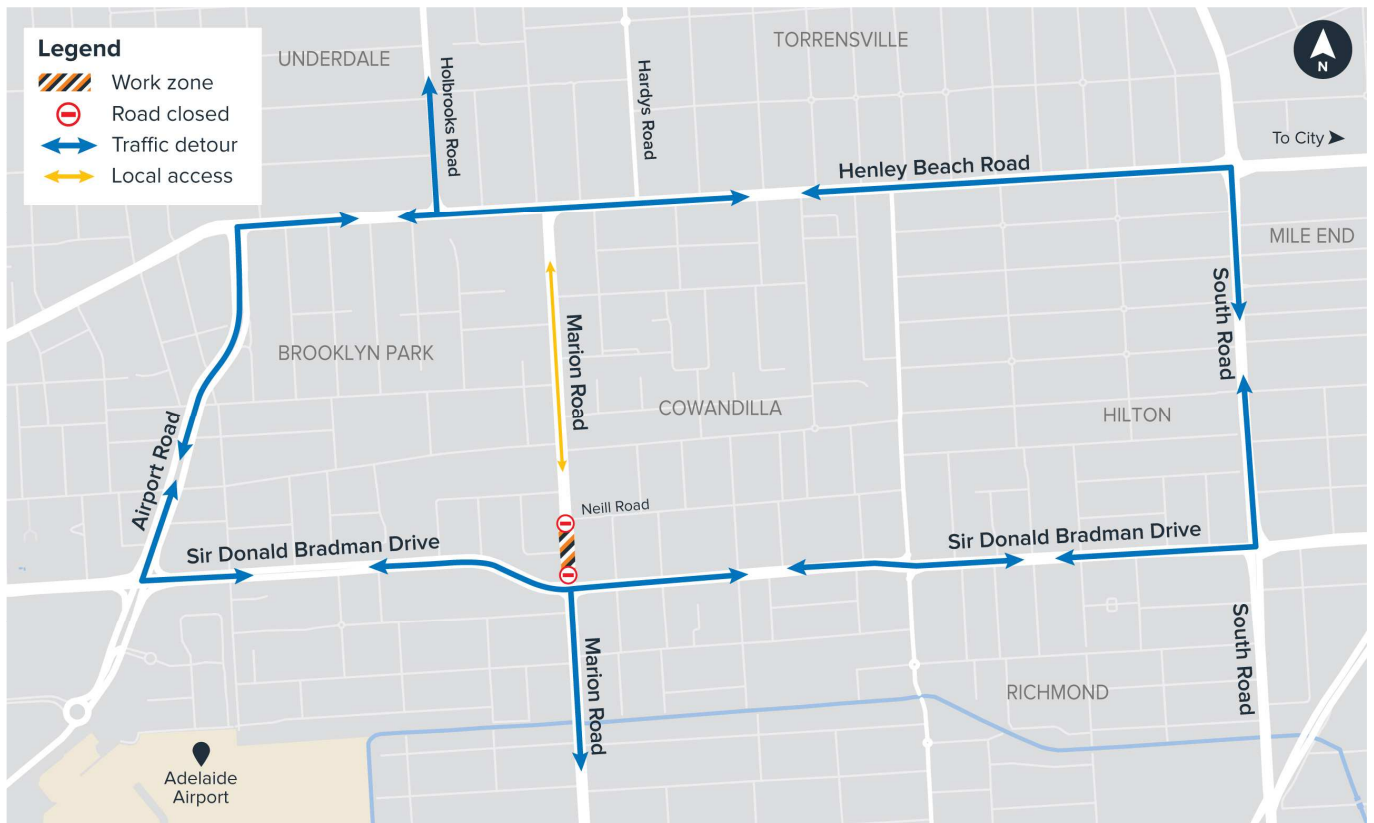

Temporary access restrictions on local roads while we carry out this work include side streets within the construction zones on all approaches to the intersection of Sir Donald Bradman Drive and Marion Road. Signage in place to direct road users.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

We would like to thank the community for your patience and understanding while these works are undertaken.
