Limitations Statement

The sole purpose of this report and the associated services performed by Brown & Root Services Asia Pacific Pty Ltd (Brown & Root) is to respond to issues raised in comments on the Environmental Report for the proposed Port River Expressway project in accordance with the scope of services set out in the contract between Brown & Root and Transport SA ('the Client'). That scope of services was defined by the requests of the Client, by the time and budgetary constraints imposed by the Client, and by the availability of access to the site.

Brown & Root derived the data in this report primarily from certain information provided by specialist subconsultants, certain State Government agencies and others identified herein. The passage of time, manifestation of latent conditions or impacts of future events may require further exploration at the site and subsequent data analysis, and re-evaluation of the findings, observations and conclusions expressed in this report.

In preparing this report, Brown & Root has relied upon and presumed accurate certain information (or absence thereof) relative to the Port River Expressway project provided by Government officials and authorities, the Client and others identified herein. Except as otherwise stated in the report, Brown & Root has not attempted to verify the accuracy or completeness of any such information.

No warranty or guarantee, whether express or implied, is made with respect to the data reported or to the findings, observations and conclusions expressed in this report. Further, such data, findings, observations and conclusions are based solely upon information, findings, observations and conclusions in existence at the time of the investigation.

This report has been prepared on behalf of and for the exclusive use of the Client, and is subject to and issued in connection with the provisions of the agreement between Brown & Root and the Client. Brown & Root accepts no liability or responsibility whatsoever for or in respect of any use of or reliance upon this report by any third party.
